

Player	\$	Column4	Column	Desired %	Notes
Kyler Murray	\$8,200	MIN@ARI	CARI	10%	High salary will keep ownership low. Not quite a "Pat up to be contrarian" situation but concept applies
Russell Wilson	\$7,500	TEN@SEA	CSEA	5%	
Josh Allen	\$7,200	BUF@MIA	IBUF	10%	He'll be in one of my Late Swap Templates. If he and diggs smash in the early games, I'll be live.
Tom Brady	\$6,900	ATL@TB	09TB	6%	
Dak Prescott	\$6,800	DAL@LAC	C DAL	15%	Cowboys D is hurting. Much falls on the shoulders of Dak. I'll have a few Zeke lineups for hedge purposes
Justin Herbert	\$6,700	DAL@LAC	C LAC	20%	
Jalen Hurts	\$6,500	SF@PHI	09, PHI	8%	I can't turn everyone green but Jalen is a fantasy badass.
Matthew Stafford	\$6,400	LAR@IND	0 LAR	3%	
Ryan Tannehill	\$6,300	TEN@SEA	C TEN	3%	
Kirk Cousins	\$6,200	MIN@ARI	C MIN	2%	He isn't always necessary if you pick his weapons correctly.
Jameis Winston	\$6,100	NO@CAR	0 NO	1%	
Baker Mayfield	\$6,000	HOU@CLE	CLE		Will he need to throw the ball 20x?
Trevor Lawrence	\$6,000	DEN@JAX	C JAX		
Ben Roethlisberger	\$5,900	LV@PIT	09, PIT		Raiders D-line did things to Lamar last week. Ben gonna have to dish it quick.
Joe Burrow	\$5,800	CIN@CHI	0 CIN	8%	Super low owned vs overrated defense. I expect some regression in Bengals run/pass ratio.
Jimmy Garoppolo	\$5,700	SF@PHI	09, SF		Not enough volume and there's Trey Lance looming
Matt Ryan	\$5,600	ATL@TB	09 ATL	3%	Goota play the positive regression game in a few lineups.
Tua Tagovailoa	\$5,500	BUF@MIA	1 MIA	1%	
Tyrod Taylor	\$5,500	HOU@CLE	HOU	3%	Didn't need to air it out last week. Houston will need a heroic effort from Tyrod/Cooks this week.
Mac Jones	\$5,400	NE@NYJ	05 NE		
Teddy Bridgewater	\$5,400	DEN@JAX	C DEN	1%	
Derek Carr	\$5,300	LV@PIT	09, LV		
Andy Dalton	\$5,200	CIN@CHI	0 CHI		Can't play these dudes that get replaced in the red zone.
Carson Wentz	\$5,200	LAR@IND	0 IND		Aaron Donald's play toy.
Sam Darnold	\$5,200	NO@CAR	0 CAR	1%	
Zach Wilson	\$5,100	NE@NYJ	05 NYJ		He may not survive this game.
