

Sonic's PPW - RB

| Player | \$ | Column4 | Colu | Desired % | Notes |
|-----------------------|---------|-----------|------|-----------|---|
| Christian McCaffrey | \$9,900 | NO@CAR 0 | CAR | | Matchup agnostic super hero at reasonable ownership. |
| Dalvin Cook | \$9,100 | MIN@ARI 0 | MIN | | I'll match the field at least. Can't go too crazy with CMC eating my salary |
| Alvin Kamara | \$8,800 | NO@CAR 0 | NO | | Love this offensive line. AK will run if ahead and catch passes if behind. *Swoon. |
| Derrick Henry | \$8,300 | TEN@SEA 0 | TEN | | Something tells me this player will ruin many's people's Sunday...one way or the other. |
| Nick Chubb | \$7,800 | HOU@CLE 0 | CLE | | Options abound, keeping his ownership acceptable in best spot he'll ever get. |
| Austin Ekeler | \$7,300 | DAL@LAC 0 | LAC | | Goal line carries is exciting and we know Rountree will ride bench when shit hits fan. |
| Jonathan Taylor | \$7,200 | LAR@IND 0 | IND | | Micro-ownership makes him tempting, especially since he had SEVEN targets last wk. |
| Joe Mixon | \$7,000 | CIN@CHI 0 | CIN | | Bellcows aren't for fading. Choose your % and roll but understand...his price will go ^ |
| Miles Sanders | \$6,900 | SF@PHI 09 | PHI | | TWENTY touches last week for the guy we faded in best ball because of...why again? |
| James Robinson | \$6,400 | DEN@JAX 0 | JAX | | Not my guy |
| Najee Harris | \$6,300 | LV@PIT 09 | PIT | | Early in the week I had hopes he'd be ignored by the masses. I'll eat the chalk at RB all day |
| Ezekiel Elliott | \$6,200 | DAL@LAC 0 | DAL | | Plenty due to my exposure to this game. Also, some stand alone lineups without Dak/Herbert |
| David Montgomery | \$6,100 | CIN@CHI 0 | CHI | | Damien is the new Tarik Cohen...only Damien has a winning pedigree. Ceiling officially capped. |
| Chris Carson | \$6,100 | TEN@SEA 0 | SEA | | Hilow loves him. JM has him in the grid. Volume. |
| Myles Gaskin | \$5,900 | BUF@MIA 0 | MIA | | |
| Melvin Gordon III | \$5,900 | DEN@JAX 0 | DEN | | Better on Fan Duel |
| Kareem Hunt | \$5,800 | HOU@CLE 0 | CLE | | |
| Darrell Henderson Jr. | \$5,700 | LAR@IND 0 | LAR | | How many snaps will Sony steal and how soon? If he's 90% then this price is too low. |
| Mike Davis | \$5,500 | ATL@TB 09 | ATL | | Gonna have to get 10 targets to be a factor against this D-line. |
| Damien Harris | \$5,400 | NE@NYJ 09 | NE | | Belichick will give him the ball 20x again. I'm stacking him with Pats D |
| Tony Pollard | \$5,300 | DAL@LAC 0 | DAL | | Only a sprinkle since I'll be covering this game from every angle |
| David Johnson | \$5,200 | HOU@CLE 0 | HOU | | |
| Leonard Fournette | \$5,100 | ATL@TB 09 | TB | | |
| Mark Ingram II | \$5,000 | HOU@CLE 0 | HOU | | |
| Eli Mitchell | \$5,000 | SF@PHI 09 | SF | | Only a sprinkle for me. Can't trust Shanahan's touch distribution. |
| Devin Singletary | \$4,900 | BUF@MIA 0 | BUF | | |
| Damien Williams | \$4,900 | CIN@CHI 0 | CHI | | |
| Kenyan Drake | \$4,900 | LV@PIT 09 | LV | | I feel like a fish playing him. Barber is gonna fuck us, isn't he? |
| Chase Edmonds | \$4,900 | MIN@ARI 0 | CARI | | Correlate with Jefferson or Thielan. If it stays close and shoots out, Chase will outsnap Conner. |
| Ronald Jones II | \$4,800 | ATL@TB 09 | TB | | I'm not biting. Arians coach-speak is notoriously misleading. |
| Tevin Coleman | \$4,700 | NE@NYJ 09 | NYJ | | |
| Nyheim Hines | \$4,700 | LAR@IND 0 | IND | | Always intriguing in negative game script. I may offset some Kupp chalk here. |
| James White | \$4,600 | NE@NYJ 09 | NE | | Less likely Pats trail this week. Volume less stable. |
| Trey Sermon | \$4,600 | SF@PHI 09 | SF | | |
| Ty Johnson | \$4,500 | NE@NYJ 09 | NYJ | | If game plan is to mitigate pass rush with dumpoffs, he may win this gross timeshare. |
| Carlos Hyde | \$4,400 | DEN@JAX 0 | JAX | | |
| Javonte Williams | \$4,400 | DEN@JAX 0 | DEN | | Same touches at Melvin for \$1500 cheaper. Maybe he'll get in the box this time. JM likes him! |
| James Conner | \$4,400 | MIN@ARI 0 | CARI | | |
