

Player	\$	Column4	Column	Desired %	Notes
DeAndre Hopkins	\$8,000	MIN@ARI (ARI			Kyler stacks will be pricey but ownership will be in "must have shares" range.
Stefon Diggs	\$7,700	BUF@MIA (BUF			Will be interesting if he smashes and puts pressure on late game WRs to keep up.
DK Metcalf	\$7,600	TEN@SEA (SEA			
Calvin Ridley	\$7,500	ATL@TB 09 ATL			If Matt Ryan throws less than 40 times, what are we even doing here? 10+ targets incoming.
Justin Jefferson	\$7,400	MIN@ARI (MIN			His ownership is projecting at around 4%. I'll take 3x please. Thank you.
Tyler Lockett	\$7,200	TEN@SEA (SEA			May be overlooked despite flashing upside last week.
Adam Thielen	\$7,100	MIN@ARI (MIN			Has Cousins' eye in red zone. Likely in pass heavy environment.
Keenan Allen	\$7,000	DAL@LAC (LAC			Target hog in shootout!
A.J. Brown	\$6,900	TEN@SEA (TEN			
Amari Cooper	\$6,800	DAL@LAC (DAL			My favorite correlation in this game is he and Mike Williams, but I'll be stacking every which way.
Deebo Samuel	\$6,700	SF@PHI 09, SF			Price and ownership on the rise so I'll be using my favorite human being, albeit sparingly
Chris Godwin	\$6,600	ATL@TB 09 TB			
Diontae Johnson	\$6,400	LV@PIT 09, PIT			Will make catches but will Steelers allow YAC?
CeeDee Lamb	\$6,400	DAL@LAC (DAL			Target monster in shootout. No brainer.
Jarvis Landry	\$6,300	HOU@CLE (CLE			Volume concerns despite OBJ absence.
Julio Jones	\$6,300	TEN@SEA (TEN			
Allen Robinson II	\$6,200	CIN@CHI 0 CHI			He will get fed. We just need to find the ceiling he so richly deserves.
Mike Evans	\$6,100	ATL@TB 09 TB			Brady didn't look his way last week. I bet promises were made going forward.
Mike Williams	\$6,100	DAL@LAC (LAC			Game environment and newly expanded route tree makes him attractive.
Cooper Kupp	\$6,000	LAR@IND C LAR			Massive volume in week 1 should continue. Be careful how you use him due to his early start and ownership
Antonio Brown	\$6,000	ATL@TB 09 TB			Brady's roommate narrative.
Brandin Cooks	\$5,900	HOU@CLE (HOU			Love his upside and ownership in likely play-from-behind scenario
DJ Moore	\$5,900	NO@CAR 0 CAR			I won't be forgetting him this week. Likely to be trailing and soaking up targets and YAC
Robby Anderson	\$5,800	NO@CAR 0 CAR			
Robert Woods	\$5,700	LAR@IND C LAR			
Julu Smith-Schuster	\$5,700	LV@PIT 09, PIT

Tee Higgins	\$5,400	CIN@CHI 0 CIN			
DeVonta Smith	\$5,400	SF@PHI 09, PHI			
Corey Davis	\$5,300	NE@NYJ 05 NYJ			
Courtland Sutton	\$5,200	DEN@JAX (DEN			Should be <5% owned and has upside in post-Jeudy pecking order
Jakobi Meyers	\$5,100	NE@NYJ 05 NE			Love the player but needs to get into the box to be tourney winner
Ja'Marr Chase	\$5,000	CIN@CHI 0 CIN			WAY too cheap but keep an eye on ownership. Sites are quite varied right now. Higgins and Boyd become interesting.
Christian Kirk	\$5,000	MIN@ARI (ARI			Such an easy fade since he's already had his yearly blowup...or is he a guy now? I'm looking at Rondale
Laviska Shenault Jr.	\$4,900	DEN@JAX (JAX			
Nelson Agholor	\$4,800	NE@NYJ 05 NE			
Russell Gage	\$4,800	ATL@TB 09 ATL

Marvin Jones Jr.	\$4,700	DEN@JAX (JAX			
Cole Beasley	\$4,600	BUF@MIA (BUF			Lots of targets. Could be part of tourney winner if he falls into the end zone.
Tim Patrick	\$4,600	DEN@JAX (DEN			Good football player vs bad team.
Jaylen Waddle	\$4,500	BUF@MIA (MIA			Fuller absence = rookie opportunity
Jamison Crowder	\$4,500	NE@NYJ 05 NYJ			If Zack is smart he'll get it out quick and find this dude
Zach Pascal	\$4,400	LAR@IND C IND			2 TDs won't happen again but only proven veteran on this squad.
Michael Pittman Jr.	\$4,300	LAR@IND C IND			Upside is there but he's still in diapers
Darnell Mooney	\$4,200	CIN@CHI 0 CHI			Nice to see him get targeted in various parts of the field. We know he can run deep. Too bad Dalton has a noodle.
Henry Ruggs III	\$4,200	LV@PIT 09, LV			This doesn't look like the opponent to clear 5 targets and break out against.
Marquez Callaway	\$4,200	NO@CAR 0 NO			Recency bias is a thing. I'll be on Marquez and correlate him with CMC and DJ Moore
Kendrick Bourne	\$4,100	NE@NYJ 05 NE			
Jalen Reagor	\$4,100	SF@PHI 09, PHI			
Emmanuel Sanders	\$4,000	BUF@MIA (BUF			Bills throw 50X. If healthy, this price ain't right.

Van Jefferson Jr.	\$3,500	LAR@IND C LAR			Box score looked great due to high variance long TD. Only 3 targets though
Terrace Marshall Jr.	\$3,300	NO@CAR 0 CAR			I like his usage, particularly in the red zone. He'd be a salary reliever and correlation piece in Kamara rosters.
K.J. Osborn	\$3,300	MIN@ARI (MIN			
Nico Collins	\$3,200	HOU@CLE (HOU			
Damiere Byrd	\$3,200	CIN@CHI 0 CHI
