

Sonic's Player Pool Worksheet

Week 1 - QB

Player	\$	Column4	Column	Desired %	Notes
Patrick Mahomes	\$8,100	CLE@KC 09	KC		Always find a way to get 10+ lineups
Kyler Murray	\$7,600	ARI@TEN 0	ARI		Obvs
Josh Allen	\$7,400	PIT@BUF 0	BUF		Likely highest owned QB but whatever. I'll get my 10%
Russell Wilson	\$7,000	SEA@IND 0	SEA		Prob won't double stack with Lockett/Metcalf. Might not always bring it back with a Colts.
Aaron Rodgers	\$6,800	GB@NO 09	GB		
Justin Herbert	\$6,700	LAC@WAS	LAC		
Ryan Tannehill	\$6,500	ARI@TEN 0	TEN		Yep
Jalen Hurts	\$6,400	PHI@ATL 0	PHI		Use concept from our GPP course. Run him naked with multiple Falcons and other game stacks
Kirk Cousins	\$6,300	MIN@CIN 0	MIN		Good candidate to fade in favor of Hurts. Use 2 Vikings, 1 Bengal, 1-2 Falcons instead.
Trevor Lawrence	\$6,200	JAX@HOU	JAX		Houston sucks. Gotta have a few Trevor/Marvin/Viska/Cooks
Ben Roethlisberger	\$6,100	PIT@BUF 0	PIT		Don't hate it. He wins milly sometimes.
Matt Ryan	\$6,000	PHI@ATL 0	ATL		Play him with his weapions and hope they don't run inside the 5.
Baker Mayfield	\$5,900	CLE@KC 09	CLE		Can't play all of them...can we? I usually play at least one stack of every team so...
Joe Burrow	\$5,700	MIN@CIN 0	CIN		Why don't I feel warm and fuzzy about him this week?
Carson Wentz	\$5,600	SEA@IND 0	IND		So many questions. Perfect for massive field GPP but 95% chance he'll render your lineup useless.
Jimmy Garoppolo	\$5,500	SF@DET 09	SF		nah, it's Raheem day. Please.
Ryan Fitzpatrick	\$5,500	LAC@WAS	WAS		Just my mandatory 2-3 Terry stacks. Maybe include a low owned 3k Humphries?
Tua Tagovailoa	\$5,400	MIA@NE 0	MIA		Can't see him in winning Milly lineup.
Tyrod Taylor	\$5,300	JAX@HOU	HOU		Hard to see as milly winner but cheap and may be forced into silly game script.
Daniel Jones	\$5,300	DEN@NYG	NYG		not my guy
Jameis Winston	\$5,200	GB@NO 09	NO		Always 1 or 2 when Jameis is at the helm. See Oracle
Jared Goff	\$5,100	SF@DET 09	DET		It would be SO Week 1 to see a freaking Lions player in winning lineup. Ugh. Amon St Brown?
Sam Darnold	\$5,000	NYJ@CAR 0	CAR		I've probably let myself get out of hand but I'm riding the Darnold-Gase+Revenge narrative.
Zach Wilson	\$5,000	NYJ@CAR 0	NYJ		YES. Maybe not as much as Darnold but I'm liking this game
Teddy Bridgewater	\$4,800	DEN@NYG	DEN		
Mac Jones	\$4,400	MIA@NE 0	NE		
				0%
