

Sonic's Player Pool Worksheet
Week 1 - RB

Player	\$	Column4	Column	Desired %	Notes
Christian McCaffrey	\$9,500	NYJ@CAR C	CAR		I play copious amounts of CMC even when his ownership and price are high because I like fantasy points.
Dalvin Cook	\$9,100	MIN@CIN C	MIN		Of course
Derrick Henry	\$8,800	ARI@TEN 0	TEN		Can own any slate at any time but fading to allocate to other studs isn't poor strat.
Alvin Kamara	\$8,600	GB@NO 09	NO		With this offensive line of maulers and a rookie backing him up? YES YES YES
Jonathan Taylor	\$8,000	SEA@IND 0	IND		
Saquon Barkley	\$7,800	DEN@NYG	NYG		
Nick Chubb	\$7,200	CLE@KC 09	CLE		See Henry ^
Austin Ekeler	\$7,000	LAC@WAS	LAC		Hammy? Might suppress ownership nicely
D'Andre Swift	\$6,900	SF@DET 09	DET		
Aaron Jones	\$6,800	GB@NO 09	GB		Priced appropriately IMO. Risk of losing GL work to man with engorged quads.
Clyde Edwards-Helaire	\$6,600	CLE@KC 09	KC		
Miles Sanders	\$6,500	PHI@ATL 0	PHI		I like Miles at his ownership. Hope he doesn't get touted too much before lock.
James Robinson	\$6,400	JAX@HOU	JAX		Kind of chalky for a guy under new regime. Big role vs tanking team. I'm on the fence.
Najee Harris	\$6,300	PIT@BUF 0	PIT		Love him but ownership projections creeping up
Joe Mixon	\$6,200	MIN@CIN C	CIN		Roll the dice on coach speak. I expect 3 down role.
Myles Gaskin	\$6,000	MIA@NE 0	MIA		Pats poor vs run last year. Belichick fumed for 8 month offseason. Pats will stop run.
Chris Carson	\$5,900	SEA@IND 0	SEA		do I sprinkle or just fade? Can't see 20 touches with 5 RBs on roster
Antonio Gibson	\$5,900	LAC@WAS	WAS		Fuck JD McKissic. I want Aaron to happen and his touch/snap rate should be gorgeous
Raheem Mostert	\$5,800	SF@DET 09	SF		If he falls flat, I'll lose money.
Kareem Hunt	\$5,500	CLE@KC 09	CLE		Build with a plan. Tell a story. A bring-back in KC stacks works.
Mike Davis	\$5,400	PHI@ATL 0	ATL		So cheap. Wayne Gallman? Fuk outta here.
Melvin Gordon III	\$5,300	DEN@NYG	DEN		meh
Damien Harris	\$5,200	MIA@NE 0	NE		Will stack with Pats D 4-5 rosters of my 150
Chase Edmonds	\$4,600	ARI@TEN 0	ARI		Cheap but may concede GL carries
Trey Sermon	\$4,500	SF@DET 09	SF		
Javonte Williams	\$4,000	DEN@NYG	DEN		Sub 5% owned, min priced rookie gamble could get enough touches to justify RB roster spot.
