

Sonic's PPW - Week 1 - TE

Player	\$	Column4	Column	Desired %	Notes
Travis Kelce	\$8,300	CLE@KC 09	KC		Always favorite to win the position. Play him in weeks where there is value...LIKE THIS WEEK
George Kittle	\$6,300	SF@DET 09	SF		BEAST. Might not fit too many of my builds though due to Kelce and Pitts exposure.
T.J. Hockenson	\$4,900	SF@DET 09	DET		TodfromPA is willing a Hock ceiling game into existence. I'll sprinkle.
Dallas Goedert	\$4,800	PHI@ATL 0	PHI		1 or 2 of my many Hurts rosters only
Hunter Henry	\$4,700	MIA@NE 0	NE		Not this week
Logan Thomas	\$4,600	LAC@WAS	WAS		Love the player. Won't make many of my rosters though
Mike Gesicki	\$4,500	MIA@NE 0	MIA		A couple of Tua rosters only.
Kyle Pitts	\$4,400	PHI@ATL 0	ATL		See the Oracle for ways to play him. I decided to go apeshit and try to 2-3x the field.
Noah Fant	\$4,300	DEN@NYG	DEN		Just can't in this game environment with so many other options.
Robert Tonyan	\$4,200	GB@NO 09	GB		Yeah. Ownership suppressed by Pitts. Isn't Aaron Rodgers his QB?
Jonnu Smith	\$4,100	MIA@NE 0	NE		He'll have some big weeks. I have a feeling he's a Josh McD/Mac fav.
Austin Hooper	\$4,000	CLE@KC 09	CLE		TE
Hayden Hurst	\$3,700	PHI@ATL 0	ATL		Rooting for Hilow's Best Ball squads.
Gerald Everett	\$3,400	SEA@IND 0	SEA		If Russ favors him over Dissly he'll get some opportunities at various parts of field.
Anthony Firkser	\$3,200	ARI@TEN 0	TEN		Prob just in game stacks
Tyler Conklin	\$2,900	MIN@CIN	MIN		Will get a ton of snaps but I'm banking on the big 3 mostly
Dan Arnold	\$2,600	NYJ@CAR	CAR		Will make it into 1-2 of my many Darnold lineups
MyCole Pruitt	\$2,500	ARI@TEN 0	TEN		He's not MyCole Pruitt, he's Yours. Sorry.
Tyler Kroft	\$2,500	NYJ@CAR	CAR		Feels fishy to play a guy who flashed in preseason but I'll have my 2-3%
Ryan Griffin	\$2,500	NYJ@CAR	CAR		Won me a milly one time. Don't think lightning will strike for him again.
