| Tyreek Hill | \$8,400 | LAC@KC 05 | KC | | Thy shall not fade |
| DeAndre Hopkins | \$8,200 | ARI@JAX 0 | ARI | | Thy shall fade |
| Stefon Diggs | \$7,600 | WAS@BUF | BUF | | Will be stacking the piss outta him with Josh Allen |
| Tyler Lockett | \$7,400 | SEA@MIN | SEA | | I'm playing the "It's Metcalf's turn" narrative this week. Pray for me. |
| DK Metcalf | \$7,300 | SEA@MIN | SEA | | Loading up |
| Justin Jefferson | \$7,200 | SEA@MIN | MIN | | Tons of correlations with Metcalf. |
| Calvin Ridley | \$7,000 | ATL@NYG | ATL | | Will be mostly used in stacks. He needs this game to open up. |
| Terry McLaurin | \$6,900 | WAS@BUF | WAS | | Will be a gorgeous low-owned piece in my Bills stacks. |
| Cooper Kupp | \$6,800 | TB@LAR 05 | LAR | | DK neglected to raise his price enough. Will be the chalk and I will be under. |
| Adam Thielen | \$6,700 | SEA@MIN | MIN | | He's the Chris Carter of the new age. All he does is catch touchdowns. What a stud. |
| Keenan Allen | \$6,600 | LAC@KC 05 | LAC | | Likely a "game stacks only" guy this week. Mike Williams might transcend that stature. |
| A.J. Brown | \$6,500 | IND@TEN | TEN | | Run him with some Tannehill/J. Taylor. Get your air yards and your leverage. |
| Julio Jones | \$6,500 | IND@TEN | TEN | | See above |
| Mike Williams | \$6,400 | LAC@KC 05 | LAC | | Being used in multiple ways. Major RZ target in high total game. Ownership proj not spiking yet. |
| Mike Evans | \$6,300 | TB@LAR 05 | TB | | Late-game hammer should be WAY less owned than Godwin due to CB matchup. |
| Allen Robinson II | \$6,200 | CHI@CLE 0 | CHI | | We just don't know what Justin Fields is gonna do. I don't think Justin Fields even knows. |
| Chris Godwin | \$6,100 | TB@LAR 05 | TB | | I'll eat this chalk and pair it with some Higbee and a nice cabernet. |
| Julu Smith-Schuster | \$6,000 | CIN@PIT 05 | PIT | | Ben's next-best low adot guy will see volume. If he gets into end zone it's Yahtzee. |
| Courtland Sutton | \$6,000 | NYJ@DEN | DEN | | Looked like NFL alpha last week. Enjoy him at 6K while you can. |
| Sterling Shepard | \$5,900 | ATL@NYG | NYG | | I always love him because people think he doesn't have a ceiling but he does. If Golladay misses - BOLD GREEN. |
| Chase Claypool | \$5,800 | CIN@PIT 05 | PIT | | Can this matchup really shoot out? Really? |
| Robert Woods | \$5,700 | TB@LAR 05 | LAR | | Would obvs prefer him if he was sneaky. People know flipping ceilings with Kupp is in range of outcomes. |
| Kenny Golladay | \$5,600 | ATL@NYG | NYG | | Injury concern clouds upside for Slayton and other Giants. |
| Marquise Brown | \$5,600 | BAL@DET | BAL | | Lamar has been looking his way. I'll be above the current ownership proj of 7% |
| Michael Pittman Jr. | \$5,500 | IND@TEN | IND | | QB issues make him boom/bust option |
| Sammy Watkins | \$5,500 | BAL@DET | BAL | | Low owned version of Hollywood Brown. Insane that he looks better in Ravens passing offense than KC. WTF? |
| Ja'Marr Chase | \$5,400 | CIN@PIT 05 | CIN | | One of those guys where you may end up saying "why the hell did I forget to roster him?" |
| Christian Kirk | \$5,400 | ARI@JAX 0 | ARI | | Ceiling game always possible in soft matchup. Will Jax push Kyler and company enough? |
| DeVante Parker | \$5,400 | MIA@LV 05 | MIA | | A Sonic fav. |
| Odell Beckham Jr. | \$5,300 | CHI@CLE 0 | CLE | | WEEK 3's GPP WILD CARD. Currently projecting at 3% ownership. Could break slate or play 13 snaps...or both. |
| DJ Chark Jr. | \$5,300 | ARI@JAX 0 | JAX | | |
| Henry Ruggs III | \$5,200 | MIA@LV 05 | LV | | Bad matchup. I said that last week and he made me drool the drool of remorse into the pillow of regret. |
| Antonio Brown | \$5,200 | TB@LAR 05 | TB | | Likely OUT |
| Jakobi Meyers | \$5,000 | NO@NE 09 | NE | | Love the player but just don't see 30 point upside. |
| Rondale Moore | \$5,000 | ARI@JAX 0 | ARI | | Love the player and I see 30 point upside. |
| Corey Davis | \$5,000 | NYJ@DEN | NYJ | | |
| Marvin Jones Jr. | \$4,900 | ARI@JAX 0 | JAX | | Chalk that I will eat but only with great consideration to other roster pieces. |

| Cole Beasley | \$4,800 | WAS@BUF | BUF | | |
| Zach Pascal | \$4,800 | IND@TEN | IND | | |
| Tyler Boyd | \$4,700 | CIN@PIT 05 | CIN | | \$700 cheaper than Chase and better matchup sans injured Higgins. |
| Will Fuller V | \$4,700 | MIA@LV 05 | MIA | | Micro-owned dart alert!!! |
| Darius Slayton | \$4,600 | ATL@NYG | NYG | | Must have shares of guys that can break a slate on 5 targets. |
| Nelson Agholor | \$4,600 | NO@NE 09 | NE | | |
| Jaylen Waddle | \$4,600 | MIA@LV 05 | MIA | | JM and Hilow like him. Hilow and JM are wicked smart. |
| A.J. Green | \$4,500 | ARI@JAX 0 | ARI | | I liked him way better last week at \$3700. If Hopkins misses, I'll have AIG in a Kyler stack or two. |
| Jamison Crowder | \$4,500 | NYJ@DEN | NYJ | | |
| Laviska Shenault Jr. | \$4,400 | ARI@JAX 0 | JAX | | Price saving option but violent RAC guy with injured shoulder worries me. |
| Darnell Mooney | \$4,300 | CHI@CLE 0 | CHI | | If healthy, would have been core guy for me. We'll see. |
| Emmanuel Sanders | \$4,200 | WAS@BUF | BUF | | Been getting targets and missing. I'm gonna bank on a positive turn for Allen/Sanders & Allen/Diggs/Sanders |
| Rashard Higgins | \$4,200 | CHI@CLE 0 | CLE | | |
| Demarcus Robinson | \$4,100 | LAC@KC 05 | KC | | |

| James Washington | \$4,000 | CIN@PIT 05 | PIT | | |
| Kalif Raymond | \$4,000 | BAL@DET | DET | | |
| Hunter Renfrow | \$4,000 | MIA@LV 05 | LV | | Projecting well in game where outside CBs should theoretically funnel targets to slot |
| Freddie Swain | \$4,000 | SEA@MIN | SEA | | He's a player in high total game. Can't say much else. |
| Mecole Hardman | \$3,900 | LAC@KC 05 | KC | | Has low projected ownership right now which surprises me. Salary relief, speed and 30.75 implied total. |
| Devin Duvernay | \$3,900 | BAL@DET | BAL | | |
| Quintez Cephus | \$3,900 | BAL@DET | DET | | Baltimore better send a Raven to the Citadel and request a maester. They are banged up and in Covid protocol. |
| Braxton Berrios | \$3,900 | NYJ@DEN | NYJ | | |
| Elijah Moore | \$3,800 | NYJ@DEN | NYJ | | |
| Bryan Edwards | \$3,800 | MIA@LV 05 | LV | | |
| Adam Humphries | \$3,700 | WAS@BUF | WAS | | Cheap, high floor bring back in Josh Allen stacks. Not really a ceiling guy but will have one blowup this season. |
| Gabriel Davis | \$3,700 | WAS@BUF | BUF | | |
| Dyami Brown | \$3,600 | WAS@BUF | WAS | | Intriguing upside. Ownership pivot off Osborn. |
| KJ Hamler | \$3,600 | NYJ@DEN | DEN | | Will catch 2 TDs on the day I fade him...so I won't fade him. |
| Olamide Zaccheaus | \$3,500 | ATL@NYG | ATL | | Sneaky cheapo option could see a role with Gage on the mend. |
