

Player	\$	Column4	Column	Desired %	Notes
Tyreek Hill	\$8,000	KC@PHI 10	KC		Philly limits deep shots blah blah blah. You know he's Tyreek Hill, right?
Davante Adams	\$7,900	PIT@GB 10	GB		Always in play. One of those guys. I'll be under the field though. Tyreek will have less ownership.
Cooper Kupp	\$7,800	ARI@LAR 1	LAR		Such a stud. Ownership is only reason not too play him. I'm fine with this price tag.
DeAndre Hopkins	\$7,700	ARI@LAR 1	ARI		Jalen Ramsey notwithstanding. Ownership is miniscule. I'll have to have a few shares.
Stefon Diggs	\$7,600	HOU@BUF	BUF		I'm taking the positive regression train all the way to the top of leaderboards.
Justin Jefferson	\$7,300	CLE@MIN	MIN		Massive volume and game-breaking ability
DK Metcalf	\$7,200	SEA@SF 10	SEA		Massive volume and game-breaking ability
Tyler Lockett	\$7,100	SEA@SF 10	SEA		Doesn't usually produce when dinged up.
Calvin Ridley	\$7,000	WAS@ATL	ATL		Breakout week?
Terry McLaurin	\$6,900	WAS@ATL	WAS		Good secondary stack with Ridley if you think these offenses will ignite.
Adam Thielen	\$6,800	CLE@MIN	MIN		He scores TDs yet I always lean Jefferson. "Always at Least One"
CeeDee Lamb	\$6,700	CAR@DAL	DAL		Ownership will spike but upside is there.
DJ Moore	\$6,600	CAR@DAL	CAR		I'm hoping all of this "Robby Anderson contrarian angle" chatter will keep DJ's ownership in check.
Deebo Samuel	\$6,500	SEA@SF 10	SF		Insert big heart emoji here
Brandin Cooks	\$6,400	HOU@BUF	HOU		Will be bring back in 80% of my Josh Allen stuff
Diontae Johnson	\$6,200	PIT@GB 10	PIT		Back from injury but it appears all three Steelers wideouts will play.
Chase Claypool	\$6,100	PIT@GB 10	PIT		
Amari Cooper	\$6,000	CAR@DAL	DAL		Hasn't been himself lately. If his health improved over the week he could break slate
Allen Robinson II	\$5,800	DET@CHI 1	CHI		His entire career reads like a tragic "what could have been" story
Odell Beckham Jr.	\$5,800	CLE@MIN	CLE		Became sexy pick over the course of the week, much to my dismay. Huge upside for price.
DeVonta Smith	\$5,700	KC@PHI 10	PHI		Great in secondary stacks with Kelce, Tyreek, Hardman
Courtland Sutton	\$5,700	BAL@DEN	DEN		Love him correlated in secondary stacks that tell a "Marquise will catch them all this time" story
Juju Smith-Schuster	\$5,600	PIT@GB 10	PIT		
Kenny Golladay	\$5,500	NYG@NO 1	NYG		
Cole Beasley	\$5,400	HOU@BUF	BUF		Volume and underrated ceiling.
Michael Pittman Jr.	\$5,400	IND@MIA	IND		Alpha in Indy but can Wentz give him good opportunities?
Marquise Brown	\$5,400	BAL@DEN	BAL		No one will play him due to matchup and last week's debacle.
Robert Woods	\$5,300	ARI@LAR 1	LAR		Won't be low owned but bound to steal some of Kupp's thunder at some point
Christian Kirk	\$5,300	ARI@LAR 1	ARI		Big play upside but like him so much better in \$4700 range
DeVante Parker	\$5,200	IND@MIA	MIA		
Robby Anderson	\$5,100	CAR@DAL	CAR		
Sammy Watkins	\$5,100	BAL@DEN	BAL		Playing so much better in Baltimore. So weird.
Corey Davis	\$5,000	TEN@NYJ 1	NYJ		This could be a ceiling week. Not joking
Brandon Aiyuk	\$5,000	SEA@SF 10	SF		We saw glimpses of what he will be last week. Seattle D is BAD.
Emmanuel Sanders	\$4,900	HOU@BUF	BUF		No reason he won't smash again.
Jaylen Waddle	\$4,900	IND@MIA	MIA		Massive volume for a rookie but needs to break some tackles because his aDOT is damn near backwards.
Tim Patrick	\$4,900	BAL@DEN	DEN		Hell yes. Great player will reward Denver for building depth.
Will Fuller V	\$4,800	IND@MIA	MIA		Brissett just ain't the guy to ignite Fuller's ceiling.
Jalen Reagor	\$4,700	KC@PHI 10	PHI		Cool name. Good role. But every time I watch him I think "maybe he sucks?"
Jamison Crowder	\$4,600	TEN@NYJ 1	NYJ		Not just a volume slot guy. Has shown ceiling in the past. How healthy is he?
Rondale Moore	\$4,600	ARI@LAR 1	ARI		Someone in AZ is gonna smash...but who?
Zach Pascal	\$4,500	IND@MIA	IND		
A.J. Green	\$4,500	ARI@LAR 1	ARI		See Rondale
Kalif Raymond	\$4,400	DET@CHI 1	DET		
Mecole Hardman	\$4,400	KC@PHI 10	KC		Projecting well. Ownership is low. High Vegas total. Volatile player.
Marquez Callaway	\$4,300	NYG@NO 1	NO		
Rashard Higgins	\$4,300	CLE@MIN	CLE		
Olamide Zaccheaus	\$4,100	WAS@ATL	ATL		
James Washington	\$4,100	PIT@GB 10	PIT		
Quintez Cephus	\$4,000	DET@CHI 1	DET		
Terrace Marshall Jr.	\$4,000	CAR@DAL	CAR		Touted a lot this week but reasons are sound. Should see uptick in targets and we like to see rookies break out.
Cedrick Wilson	\$4,000	CAR@DAL	DAL		
Darnell Mooney	\$3,900	DET@CHI 1	CHI		Upside is there but looks lonely when inept team cannot move chains
Elijah Moore	\$3,900	TEN@NYJ 1	NYJ		
Freddie Swain	\$3,900	SEA@SF 10	SEA		
Van Jefferson Jr.	\$3,900	ARI@LAR 1	LAR		Affordable piece in high scoring affair.

Anthony Miller	\$3,700	HOU@BUF	HOU		
Braxton Berrios	\$3,700	TEN@NYJ 1	NYJ		
K.J. Osborn	\$3,700	CLE@MIN	MIN		Vikings blended in more TE stuff lately. Osborn could still pop and price is nice.
Adam Humphries	\$3,600	WAS@ATL	WAS		
Allen Lazard	\$3,600	PIT@GB 10	GB		Some extra looks sans MVS?
Quez Watkins	\$3,500	KC@PHI 10	PHI		One of those dudes that can put up 4/120/2 on any given day...Or 1/9/0
Deonte Harris	\$3,500	NYG@NO 1	NO		
Gabriel Davis	\$3,400	HOU@BUF	BUF		
Chester Rogers	\$3,300	TEN@NYJ 1	TEN		
Kadarius Toney	\$3,300	NYG@NO 1	NYG		I like him better than the Westbrook chalk. Maybe Collin Johnson as well.
Danny Amendola	\$3,200	HOU@BUF	HOU		
Amon-Ra St. Brown	\$3,200	DET@CHI 1	DET		
Nick Westbrook-Ikhine	\$3,200	TEN@NYJ 1	TEN		Looked good early in week but predictably became chalk. Fragile chalk at that.
Donovan Peoples-Jones	\$3,200	CLE@MIN	CLE
