

Player	\$	Column4	Column	Notes
Kyler Murray	\$8,000	CAR@ARI 1	ARI	Could be a sneaky large field play if we believe he can perform like the Kyler we know and love.
Josh Allen	\$7,900	BUF@NYJ 1	BUF	I'll have at least 10%. Not gonna miss out when he erupts. Jets are still woeful.
Tom Brady	\$7,600	TB@WAS 1	TB	Fast game with the greatest living human at the helm. Add in a narrower-than-usual target tree and I'm feeling aroused.
Justin Herbert	\$7,300	MIN@LAC	LAC	Will likely be my highest owned QB.
Aaron Rodgers	\$7,100	SEA@GB 1	GB	He's back and he may feel like he has something to prove.
Dak Prescott	\$6,900	ATL@DAL 1	DAL	I may create about 10 Dak stacks this week and otherwise leave Cowboys players alone, outside of Gallup for ceiling at low salary.
Russell Wilson	\$6,700	SEA@GB 1	SEA	He wouldn't be returning if he wasn't good to go. Pace should be slow but shootout isn't impossible. I like skinny stacks.
Jalen Hurts	\$6,500	PHI@DEN 1	PHI	Not thrilled about prospects against this surging Denver D
Ryan Tannehill	\$6,200	NO@TEN 1	TEN	I think I'm leaning skinny stacks with Tanny this week. AJB or Julio (Q) and no bring-back in most
Kirk Cousins	\$6,100	MIN@LAC	MIN	The other side of this potentially great game environment. I'll have my shares.
Matt Ryan	\$6,000	ATL@DAL 1	ATL	I like him with Pitts and Patterson. Not buying a repeat performance for Zachy and Gage has poor matchup.
Carson Wentz	\$5,900	JAX@IND 1	IND	Stacks with Pittman should be popular. I'll look to add another piece in some, replace Pittman with a price pivot WR (Lockett?) in others
Ben Roethlisberger	\$5,600	DET@PIT 1	PIT	Detroit is bad. A bet on Ben is a bet that they score four TDs and they all come through the air. Unlikely but not impossible.
Teddy Bridgewater	\$5,500	PHI@DEN 1	DEN	I think this game will be pretty gross. Bad matchups everywhere.
Taylor Heinicke	\$5,400	TB@WAS 1	WAS	Maybe I'll make a few stacks on my phone with McLaurin and McKissic on my way to McDonalds.
Baker Mayfield	\$5,400	CLE@NE 1	CLE	I wonder if Belichick will stack the box vs run game and keep a safety deep to stop big plays. That would leave intermediate level wide open. Landry?
Trevor Lawrence	\$5,300	JAX@IND 1	JAX	Offensive looks bad. At least he's cheap and no one will be rostering him?
Mac Jones	\$5,300	CLE@NE 1	NE	Both teams want to run...and both defenses want to stop the run and make QBs take to the air.
Trevor Siemian	\$5,200	NO@TEN 1	NO	I have a blind spot for this player. Something tells me he's capable. Too bad Taysom will likely have increased role now.
Taysom Hill	\$5,200	NO@TEN 1	NO	
Jared Goff	\$5,200	DET@PIT 1	DET	Meh
Mike White	\$5,100	BUF@NYJ 1	NYJ	We'll really find out what he's made of this week. I don't see 405 yards incoming against these guys.
P.J. Walker	\$5,000	CAR@ARI 1	CAR	You can make lineups with this guy that includes CMC/Taylor/Adams etc. Too bad he sucks.
Colt McCoy	\$5,000	CAR@ARI 1	ARI
