

## Sonic's PPW - RB

Player	\$	Column4	Colu	Notes
Christian McCaffrey	\$8,400	CAR@ARI 1	CAR	Pondering a lock button this week if ownership remains in 5% range. He's CHRISTIAN MCCAFFREY!!!
Jonathan Taylor	\$8,100	JAX@IND 1	IND	Whatever it takes to be above the field, I'll get there.
Dalvin Cook	\$8,000	MIN@LAC	MIN	Sandwiched between my two favorite guys this week will limit my exposure...and maybe the field?
Najee Harris	\$7,900	DET@PIT 1	PIT	Volume is king at the RB position...and this matchup is prestine.
Austin Ekeler	\$7,600	MIN@LAC	LAC	Love him in all of the game stacks I'll be running. His dud last week should suppress ownership a bit.
Ezekiel Elliott	\$7,000	ATL@DAL 1	DAL	High-paced game should produce some good scores...but how many GREAT scores? Read the Edge!
Aaron Jones	\$6,900	SEA@GB 1	GB	I'm wavering on him. Dillon has been a factor. But let's not forget Seattle's run defense.
D'Andre Swift	\$6,800	DET@PIT 1	DET	You guys know I'm always on Swift. Ownership under 10% means I can double the field. Happy times.
Cordarrelle Patterson	\$6,600	ATL@DAL 1	ATL	Great game environment and matchup. He'll be in my pool for sure. I like correlating him with Gallup.
James Conner	\$6,300	CAR@ARI 1	ARI	I'll have my shares and often paired with Cards D. I agree with JM though, unlikely to post "had to have it" score again.
James Robinson	\$6,200	JAX@IND 1	JAX	Returning from injury on shitty offense. Should be completely un-owned.
Leonard Fournette	\$6,100	TB@WAS 1	TB	Leverage off Brady Stacks or...shit...use him in Brady stacks!
Damien Harris	\$5,900	CLE@NE 1	NE	Likely OUT
Michael Carter	\$5,600	BUF@NYJ 1	NYJ	I'm limiting him to Josh allen bring-backs but you're free to do whatever the hell you want.
Antonio Gibson	\$5,500	TB@WAS 1	WAS	Sad runout this year for this talented player. This isn't the game to bounce back either.
Jeremy McNichols	\$5,500	NO@TEN 1	TEN	
Chuba Hubbard	\$5,400	CAR@ARI 1	CAR	
Melvin Gordon III	\$5,300	PHI@DEN 1	DEN	Timeshare
J.D. McKissic	\$5,200	TB@WAS 1	WAS	Popular among the sharps, I bet. Will the public notice him among the chalk?
Alex Collins	\$5,200	SEA@GB 1	SEA	He'll get the start sans Carson but they still have other dudes.
Zack Moss	\$5,100	BUF@NYJ 1	BUF	
Nyheim Hines	\$5,000	JAX@IND 1	IND	Maybe one lineup that tells a story of unlikely Jaguars offensive eruption.
Javonte Williams	\$5,000	PHI@DEN 1	DEN	
Adrian Peterson	\$4,900	NO@TEN 1	TEN	
Boston Scott	\$4,900	PHI@DEN 1	PHI	
Jordan Howard	\$4,900	PHI@DEN 1	PHI	I don't play guys like Jordan Howard.
AJ Dillon	\$4,800	SEA@GB 1	GB	
Devin Singletary	\$4,700	BUF@NYJ 1	BUF	Moss has returned.
D'Ernest Johnson	\$4,700	CLE@NE 1	CLE	Chalk of all chalk. I'll have plenty of shares but still be way under the field. I like Landry as leverage.
Kenneth Gainwell	\$4,700	PHI@DEN 1	PHI	
Tony Pollard	\$4,600	ATL@DAL 1	DAL	Sprinkled into Dak stacks.
Mike Davis	\$4,600	ATL@DAL 1	ATL	So sad.
Ty Johnson	\$4,500	BUF@NYJ 1	NYJ	
Mark Ingram II	\$4,500	NO@TEN 1	NO	If he'll be popular, I'll likely be under.
Rhamondre Stevenson	\$4,500	CLE@NE 1	NE	Even if he plays and Damien Harris doesn't, he's a timeshare guy coming off a freaking head injury.
Brandon Bolden	\$4,400	CLE@NE 1	NE	If he's the last guy standing than I like him as pivot off cheap RB chalk.
