Player	$	Column4	Column	Notes
Kyle Pitts	$5,800	ATL@DAL 1	ATL	The clear upside alpha of this group in a week where there is value.
T.J. Hockenson	$5,500	DET@PIT 1	DET	Only $300 cheaper than Pitts means no one will click on him. He might be my guy.
Dalton Schultz	$5,000	ATL@DAL 1	DAL	Probably only on game stacks for me. Love the player. Don't love the price tag.
Dallas Goedert	$4,700	PHI@DEN 1	PHI	Great target share but how much is Jalen gonna throw?
Zach Ertz	$4,600	CAR@ARI 1	ARI	Fine…I suppose.
Dawson Knox	$4,500	BUF@NYJ 1	BUF	Matchup is nice but this price isn't ideal. Allen Stacks only for me.
Noah Fant	$4,300	PHI@DEN 1	DEN	Matchup vs Eagles is great but I'm only happy of Albert O sits.
Hunter Henry	$4,100	CLE@NE 11	NE	Catches TDs pretty much every week. If he happens to catch two of them, you'll need him.
Pat Freiermuth	$3,900	DET@PIT 1	PIT	Ebron doesn't deter me. He looks like he's here to stay. I'll have at least 10%
Ricky Seals-Jones	$3,700	TB@WAS 1	WAS	Probably only in game stacks or at least correlated with a Bucs player.
Dan Arnold	$3,500	JAX@IND 1	JAX	Super solid floor for his price. Too bad the offense doesn't get into the green area very often
Tyler Conklin	$3,400	MIN@LAC 1	MIN	Been very much a part of this offense and this game could shoot out.
Albert Okwuegbunam	$3,300	PHI@DEN 1	DEN	Q
David Njoku	$3,200	CLE@NE 11	CLE	
Jared Cook	$3,200	MIN@LAC 1	LAC	Game stack piece only
Mo Alie-Cox	$3,100	JAX@IND 1	IND	
Jack Doyle	$3,100	JAX@IND 1	IND	
Adam Trautman	$3,000	NO@TEN 1	NO	
Eric Ebron	$2,900	DET@PIT 1	PIT	
Hayden Hurst	$2,800	ATL@DAL 1	ATL	
Austin Hooper	$2,800	CLE@NE 11	CLE	
Cameron Brate	$2,700	TB@WAS 1	TB	Becomes intriguing if other Bucs miss...Hilow - "Brate has run a route on 96% of his offensive snaps"
O.J. Howard	$2,700	TB@WAS 1	TB	Brady stacks only.
Anthony Firkser	$2,600	NO@TEN 1	TEN	
Donald Parham Jr.	$2,600	MIN@LAC 1	LAC	
Gerald Everett	$2,600	SEA@GB 1	SEA	
Ryan Griffin	$2,500	BUF@NYJ 1	NYJ	Personal bias because he was in a similar spot when he appeared on the milly winner
