

Player	\$	Column4	Column	Notes
Davante Adams	\$7,900	SEA@GB 1	GB	Rodgers will play and Davante will be targeted 12+ but at 20% owned I probably can't 2x the field :(
A.J. Brown	\$7,800	NO@TEN 1	TEN	If his ownership stays as low as it appears as I type this then I'll be at least 2X. Lattimore be damned.
Justin Jefferson	\$7,700	MIN@LAC :	MIN	Currently projecting at 5% due to decreased recent usage. Love this opportunity.
Terry McLaurin	\$7,600	TB@WAS 1	WAS	Always has upside and always comes in underowned
Stefon Diggs	\$7,500	BUF@NYJ 1	BUF	Sub 10% ownership on player that is more than overdue to explode...vs JETS
Chris Godwin	\$7,100	TB@WAS 1	TB	Last time he "almost didn't play" was in 2019 vs Rams. He proceeded to break the slate.
CeeDee Lamb	\$7,000	ATL@DAL 1	DAL	I like the matchup and game environment. Price makes it tough for a guy who has hit must have score...once...in OT
Keenan Allen	\$7,000	MIN@LAC :	LAC	Solid floor, decent ceiling provided he gets at least 10 targets. Ownership makes him not really a Sonic guy.
Mike Evans	\$6,900	TB@WAS 1	TB	All signs point to massive Evans game. I'll eat chalk on this one I think.
Diontae Johnson	\$6,800	DET@PIT 1	PIT	LFG!
DK Metcalf	\$6,800	SEA@GB 1	SEA	Huge upside. Game could be slow but if a couple of big plays happen, a shootout could follow.
Adam Thielen	\$6,700	MIN@LAC :	MIN	Solid piece in a game I will be stacking as nauseam
DeAndre Hopkins	\$6,700	CAR@ARI 1	ARI	Q
Mike Williams	\$6,600	MIN@LAC :	LAC	Love Hilow' and JM's thoughts on this game. I'm correlating whenever Mike W appears on a roster.
Tyler Lockett	\$6,500	SEA@GB 1	SEA	Slightly better matchup than Metcalf. He's fitting into some of my hand builds rather nicely.
Michael Pittman Jr.	\$6,300	JAX@IND 1	IND	Another player that will be owned but I don't mind at all. He has developed a nice floor along with his ceiling
DJ Moore	\$6,300	CAR@ARI 1	CAR	Has value in MME due to talent and micro ownership
Amari Cooper	\$6,200	ATL@DAL 1	DAL	I'm not feeling Amari as much this week. He'll be in several of my lineups though because he projects well
DeVonta Smith	\$5,900	PHI@DEN 1	PHI	
Marvin Jones Jr.	\$5,800	JAX@IND 1	JAX	Lawrence missed Marvin on bomb that would have increased his price and ownership this week. Sneaky upside at 2% ownership.
Emmanuel Sanders	\$5,700	BUF@NYJ 1	BUF	
Courtland Sutton	\$5,600	PHI@DEN 1	DEN	Matchup vs Slay is worth considering. Low Vegas total. At least ownership will be minimal.
Christian Kirk	\$5,500	CAR@ARI 1	ARI	
Julio Jones	\$5,400	NO@TEN 1	TEN	MJOHNSON and JM put it well. Attack Saints through the air. If Titans open things up and JJ gets 8 targets...Ceiling
Jerry Jeudy	\$5,300	PHI@DEN 1	DEN	Probably the only player I really like from this game and if he's highly owned, I'll be under.
Cole Beasley	\$5,200	BUF@NYJ 1	BUF	Nice floor piece vs Jets who struggle defending the middle.
Jarvis Landry	\$5,200	CLE@NE 1	CLE	A possible beneficiary of Belichick's desire to limit deep passes and control the run game.
Marquez Callaway	\$5,100	NO@TEN 1	NO	
Russell Gage	\$5,000	ATL@DAL 1	ATL	
Corey Davis	\$4,900	BUF@NYJ 1	NYJ	Maybe one bring back
Kalif Raymond	\$4,900	DET@PIT 1	DET	
Tim Patrick	\$4,900	PHI@DEN 1	DEN	
Jamison Crowder	\$4,800	BUF@NYJ 1	NYJ	I always have a soft spot for Crowder. He extra targets in chase mode
Jakobi Meyers	\$4,800	CLE@NE 1	NE	The run game may non-existent vs Browns. Perhaps Meyers becomes "extension of the running game"
Donovan Peoples-Jr	\$4,800	CLE@NE 1	CLE	Matchup is pretty good and we know Baker likes to take a few shots.
Elijah Moore	\$4,700	BUF@NYJ 1	NYJ	
T.Y. Hilton	\$4,700	JAX@IND 1	IND	
Laviska Shenault Jr.	\$4,600	JAX@IND 1	JAX	So sad.
Kendrick Bourne	\$4,600	CLE@NE 1	NE	
A.J. Green	\$4,600	CAR@ARI 1	ARI	
Zach Pascal	\$4,500	JAX@IND 1	IND	
Jamal Agnew	\$4,500	JAX@IND 1	JAX	Maybe use him once or twice in Colts stuff
Olamide Zaccheaus	\$4,400	ATL@DAL 1	ATL	Not gonna chase him this week. Happy he finally helped some of my Best Ball shares last week.
Rondale Moore	\$4,400	CAR@ARI 1	ARI	
Robby Anderson	\$4,400	CAR@ARI 1	CAR	Like a moth to a flame, I'll be giving Robby another chance with a new QB because I remember when he was good.
Allen Lazard	\$4,400	SEA@GB 1	GB	Maybe one or 2 shots as extra piece in Rodgers stacks
Tre'Quan Smith	\$4,300	NO@TEN 1	NO	
Randall Cobb	\$4,300	SEA@GB 1	GB	
Michael Gallup	\$4,000	ATL@DAL 1	DAL	He's back and he'll get deep targets in agame where Amari has a tough matchup.
Deonte Harris	\$4,000	NO@TEN 1	NO	He's been getting short targets but he's capable of breaking one in that Rondale Moore type of way
Nelson Agholor	\$4,000	CLE@NE 1	NE	
Tajae Sharpe	\$3,900	ATL@DAL 1	ATL	
Amon-Ra St. Brown	\$3,800	DET@PIT 1	DET	Perhaps a sprinkle if I'm sick of seeing these other cheap WRs in my lineups.
Quintez Cephus	\$3,700	DET@PIT 1	DET	
Jalen Guyton	\$3,600	MIN@LAC :	LAC	
Quez Watkins	\$3,600	PHI@DEN 1	PHI	
Adam Humphries	\$3,500	TB@WAS 1	WAS	
Cedrick Wilson	\$3,500	ATL@DAL 1	DAL	
James Washington	\$3,500	DET@PIT 1	PIT	In cash game consideration this week which makes me happy I only play tournaments. Seriously tho...he's viable
Jalen Reagor	\$3,500	PHI@DEN 1	PHI	
Marquez Valdes-Scar	\$3,500	SEA@GB 1	GB	High upside and cheap. He will likely crater about 15 of my promising lineups.
Gabriel Davis	\$3,400	BUF@NYJ 1	BUF	
Malik Turner	\$3,400	ATL@DAL 1	DAL	
K.J. Osborn	\$3,400	MIN@LAC :	MIN	
Tyler Johnson	\$3,300	TB@WAS 1	TB	The best floor of the cheap options, especially if Godwin sits or is limited.
Scotty Miller	\$3,000	TB@WAS 1	TB
