

Player	\$	Column4	Column	Desired %	Notes
Josh Allen	\$8,100	IND@BUF 1	BUF	BB	Indy secondary beatable through the air and Colts offense capable of making Bills accelerate.
Lamar Jackson	\$8,000	BAL@CHI 1	BAL	Slow	Perhaps the highest ceiling on the slate but will game have enough plays to realize it?
Kyler Murray	\$7,900	ARI@SEA 1	ARI	sneaky fast	Game environment has "Why didn't I?" potential. I'm in full FOMO mode on this. Not gonna lie.
Patrick Mahomes	\$7,600	DAL@KC 1	KC	fast	Game of the week will need to be played strategically.
Dak Prescott	\$7,200	DAL@KC 1	DAL	fast, BB	Only Ezekiel Elliott stands in the way of a huge game for Dak. Chiefs defense doesn't appear to.
Aaron Rodgers	\$7,000	GB@MIN 1	GB	wh	Super narrow arsenal of weapons make Rodgers easy to stack and some of his biggest games have come when shorthanded
Jalen Hurts	\$6,800	NO@PHI 1	PHI		Too many great options for Hurts to make my pool this week.
Ryan Tannehill	\$6,700	HOU@TEN	TEN	Slow	MJOHNSON mentioned Tannehill/Foreman/Brown STACK. I always try for one of these type of stacks in blowout scenarios
Joe Burrow	\$6,600	CIN@LV 1	CIN	Fast, BB	Ownership will determine if Burrow is my most owned QB this week. If he appears to be pushing 10% or more, I'll back off.
Russell Wilson	\$6,500	ARI@SEA 1	SEA	sneaky fast	Cardinals with Kyler would help Hawks play up in pace some. Wilson's ownership will be next to nothing.
Kirk Cousins	\$6,100	GB@MIN 1	MIN	BB	It's feeling like a Dalvin game to me but I'll have 5-6 low-owned stacks with Jefferson and/or Thielen.
Derek Carr	\$5,900	CIN@LV 1	LV	Fast, BB, wh	Stacking feels a little awkward past Renfrow/Waller but I'll take my shots...and maybe a lot of em.
Justin Fields	\$5,700	BAL@CHI 1	CHI	Slow, wh	Growing on me as week progresses. I'm trying a few 3-stacks with Mooney/Bateman. Cheap, low-owned with upside.
Jimmy Garoppolo	\$5,600	SF@JAX 1	SF	wh	I love Deebo. Kittle is a beast. Aiyuk is out of the doghouse. Jags are best attacked aerially. <i>Geno Smith</i> tore them up.
Carson Wentz	\$5,500	IND@BUF 1	IND		Not really projecting well vs this tough defense. Pittman's matchup appears poor.
Tua Tagovailoa	\$5,500	MIA@NYJ 1	MIA	Fast?	Stack him up with Waddle/Gesicki/Gaskin/your sister...whatever. It's Jets week!
Baker Mayfield	\$5,400	DET@CLE 1	CLE		
Trey Lance	\$5,400	SF@JAX 1	SF		
Trevor Siemian	\$5,300	NO@PHI 1	NO		
Taylor Heinicke	\$5,300	WAS@CAR	WAS	1-2%	he's just freaky enough to pay off this week. Gimme one stack for all the monies!
Case Keenum	\$5,200	DET@CLE 1	CLE		
Trevor Lawrence	\$5,200	SF@JAX 1	JAX		
Cam Newton	\$5,100	WAS@CAR	CAR		Matt Rhule's comments about PJ Walker getting snaps has me scared off. Maybe I'm a fish. I'll bet on CMC and fade the rest.
Tyrod Taylor	\$5,000	HOU@TEN	HOU		JM: Tyrod + Cooks + D'Onta Foreman makes plenty of sense and should be essentially un-owned
Taysom Hill	\$4,900	NO@PHI 1	NO		
Colt McCoy	\$4,900	ARI@SEA 1	ARI		
Joe Flacco	\$4,600	MIA@NYJ 1	NYJ	Fats?	Stacking him is super fun until you remember you are stacking with Joe Flacco.
