

Sonic's PPW - RB

Player	\$	Column4	Colu	Desired %	Notes
Christian McCaffrey	\$8,900	WAS@CAR	CAR	BB	My favorite play on the slate.
Jonathan Taylor	\$8,300	IND@BUF	IND		Bills D is no joke but ownership could fall to a level in which you must have some of this uber-talent
Dalvin Cook	\$8,200	GB@MIN	MIN		Feels like that multiple TD game is coming soon. Gotta make sure I have a few shares despite my CMC love.
Nick Chubb	\$7,800	DET@CLE	CLE		I'm never overweight on Chubb and it burns me about 15% of the time. Oh well.
Ezekiel Elliott	\$7,700	DAL@KC	DAL		How to be different this week: Imagine game script where Zeke breaks one early and Dallas plays with a lead.
Joe Mixon	\$7,600	CIN@LV	CIN		Matchup is good. On most other weeks he'd be among the better options. He could be the alpha here.
D'Andre Swift	\$7,000	DET@CLE	DET	BB	Love Swift but this week but I'm torn. This offense might not even function. Return of J Williams blows, too.
James Robinson	\$6,400	SF@JAX	JAX		No one will be on him this week, myself included.
AJ Dillon	\$6,200	GB@MIN	GB	BB	I rarely feel like a fish when I eat RB chalk as promising as this.
James Conner	\$6,100	ARI@SEA	ARI		If Kyler is IN, I will be also.
Josh Jacobs	\$6,000	CIN@LV	LV		Tough that he's ceeding so many touches to Drake.
Antonio Gibson	\$5,900	WAS@CAR	WAS		
Michael Carter	\$5,800	MIA@NYJ	NYJ	BB	Mike White was such a great match for Carter. I wonder if Flacco will be more downfield oriented.
Myles Gaskin	\$5,700	MIA@NYJ	MIA	BB	Jets really are <i>that</i> bad. They are capable of making the ineffiecient efficient.
David Montgomery	\$5,500	BAL@CHI	CHI	wh	Mispriced for a return to his previous role.
Mark Ingram II	\$5,400	NO@PHI	NO		Pops a value with AK out again but I'm not sure. If I fade him, will he really crush me?
Darrel Williams	\$5,400	DAL@KC	KC		Good value in potential shootout if CEH remains couch-ridden.
Lataavius Murray	\$5,300	BAL@CHI	BAL		
Kenyan Drake	\$5,200	CIN@LV	LV		
Clyde Edwards-Helaire	\$5,200	DAL@KC	KC		Q
Jeff Wilson Jr.	\$5,100	SF@JAX	JAX		Will have the backfield to himself unless Shanahan gets overly cute with Deebo and Juszczyk
Devonta Freeman	\$5,100	BAL@CHI	BAL		
Zack Moss	\$5,000	IND@BUF	BUF		
J.D. McKissic	\$5,000	WAS@CAR	WAS		
Alex Collins	\$5,000	ARI@SEA	SEA		
D'Onta Foreman	\$4,900	HOU@TEN	TEN		If McNichols misses, I'll place a small bet that Foreman inherits the snaps in this revenge narrative
Boston Scott	\$4,900	NO@PHI	PHI		
Adrian Peterson	\$4,800	HOU@TEN	TEN		
Jordan Howard	\$4,800	NO@PHI	PHI		
Khalil Herbert	\$4,800	BAL@CHI	CHI		
Kenneth Gainwell	\$4,700	NO@PHI	PHI		
Alexander Mattison	\$4,700	GB@MIN	MIN		
Tony Pollard	\$4,700	DAL@KC	DAL		A sprinkle in Dak stacks to keep the field honest.
Devin Singletary	\$4,600	IND@BUF	BUF		
Ty Johnson	\$4,600	MIA@NYJ	NYJ		If Carter ever gets dinged up we'll have Ty Johnson value week. I'll be into that. TY is really good IMO
Nyheim Hines	\$4,300	IND@BUF	IND		Maybe a sprinkle as a bring-back in Josh Allen stacks.
