

Sonic's PPW - TE

Player	\$	Column4	Column	esired %	Notes
Travis Kelce	\$7,100	DAL@KC 11	KC	BB	If he continues looking like he did last week, \$7100 is actually a bargain.
George Kittle	\$6,300	SF@JAX 11	SF		Looks fully healthy and hungry. Also unshaven and probably smells awful. Play him.
Darren Waller	\$6,100	CIN@LV 11	LV	BB	A huge catalyst if this game finds it's shootout potential.
Mark Andrews	\$6,000	BAL@CHI 1	BAL		Bears more than capable of limiting tight ends. Not the greatest spot.
T.J. Hockenson	\$5,700	DET@CLE 1	DET		No one will play him after that dud last week. Maybe Tim Boyle can find him.
Mike Gesicki	\$5,200	MIA@NYJ 1	MIA	BB wh	Need a bounce-back game? Play the Jets!
Zach Ertz	\$4,800	ARI@SEA 1	ARI		I'll get my shares on FanDuel.
Dalton Schultz	\$4,600	DAL@KC 11	DAL		May become sexy piece in game stacks.
Dallas Goedert	\$4,400	NO@PHI 11	PHI		Eagles snuck a cheap new contract past him while he was laid up with concussion. Shrewd.
Dan Arnold	\$4,100	SF@JAX 11	JAX	BB	Price rising slower than his safe floor would indicate.
Dawson Knox	\$4,000	IND@BUF 1	BUF		Decent matchup so he'll find his way into a couple of Josh Allen stacks
Logan Thomas	\$3,900	WAS@CAR	WAS		Come back, Logan. You were supposed to be a big deal this year.
Tyler Conklin	\$3,900	GB@MIN 1	MIN		
C.J. Uzomah	\$3,500	CIN@LV 11	CIN		Has shown enough ceiling at a shitty position to warrant some weekly shares.
Cole Kmet	\$3,400	BAL@CHI 1	CHI		Loved him until it started looking like he'll be chalk. Now I'm on the fence.
Adam Trautman	\$3,300	NO@PHI 11	NO		Getting targets recently and Eagles don't usually bother guarding tight ends. Low ceiling tho
Austin Hooper	\$3,200	DET@CLE 1	CLE		
Gerald Everett	\$3,100	ARI@SEA 1	SEA		
Jack Doyle	\$3,000	IND@BUF 1	IND		
Jack Stoll	\$2,900	NO@PHI 11	PHI		
David Njoku	\$2,900	DET@CLE 1	CLE		
Something named Bates					Yeah, fine. He's free.
