

Player	\$	Column4	Column	Desired %	Notes
Davante Adams	\$8,400	GB@MIN 1	GB	BB wh	PPR monster in great spot. It will be hard to be overweight but I'll have plenty.
Tyreek Hill	\$8,200	DAL@KC 1	KC		JM laid it out perfectly on the Angles pod. You wanna have shares of a guy that can go for 40...or 60.9
Justin Jefferson	\$8,100	GB@MIN 1	MIN		Can't play them all and folks won't be choosing JJ all that much. Pay up to be contrarian move that could make you rich
Stefon Diggs	\$7,900	IND@BUF 1	BUF	BB, WH	Smashed last week and don't expect him to go gently into that good night.
Deebo Samuel	\$7,800	SF@JAX 11	SF	wh	Thou shall not be underweight on the all-mighty Deebs.
A.J. Brown	\$7,700	HOU@TEN	TEN	wh	Larejo is in love with AJB this this week and I get it. Massive target share against poor defenders for contentending team.
CeeDee Lamb	\$7,600	DAL@KC 1	DAL		Ownership climbs with Amari news but his job may actually be tougher. Less easy targets from the slot.
Ja'Marr Chase	\$7,200	CIN@LV 11	CIN	ay	Game environment could be great. Talent is other-worldly. Matchup is meh.
Marquise Brown	\$7,100	BAL@CHI 1	BAL	BB	Has been stellar this year and injury concerns may keep his ownership tiny. Speed guy with bad thigh is risky tho
Terry McLaurin	\$7,000	WAS@CAR	WAS		Should be micro owned in tough environment. Has the talent to transcend such things though.
DK Metcalf	\$6,800	ARI@SEA 1	SEA		Capable of shitting on any given slate. Scares me to death because I won't have much.
Adam Thielen	\$6,600	GB@MIN 1	MIN		Less dynamic than previous versions of himself. Still has big TD upside though.
DeVonta Smith	\$6,400	NO@PHI 1	PHI		Fun to watch this rookie come into his own despite never rostering him.
Michael Pittman Jr.	\$6,100	IND@BUF 1	IND	WH NO	Really brutal matchup. If he smashes this week, he has arrived.
Brandin Cooks	\$6,000	HOU@TEN	HOU	wh	Correlations with AJ Brown aren't super cheap but upside is pretty huge.
Tyler Lockett	\$6,000	ARI@SEA 1	SEA		Boom/Bust personified
DJ Moore	\$5,900	WAS@CAR	CAR		No one really knows WTF this offense is gonna look like
Hunter Renfrow	\$5,800	CIN@LV 11	LV		Not just a boring floor play anymore. Target share, YAC and end zone looks have made Renfrow a single condom play
Christian Kirk	\$5,700	ARI@SEA 1	ARI		Why can't he be like...\$5100? Damn!
Jaylen Waddle	\$5,600	MIA@NYJ 1	MIA	BB wh	Shash spot for Waddle. Fade for game theory reasons only.
Tee Higgins	\$5,400	CIN@LV 11	CIN	BB	See above ^
Emmanuel Sanders	\$5,300	IND@BUF 1	BUF	wh	Interesting price pivot off Higgins. Hasn't smashed in a while. Older guys tend to fall off as the year progresses. Hmm
Marvin Jones Jr.	\$5,200	SF@JAX 11	JAX		I may actually build Jimmy G stacks and bring it back with Marvin. I'm crazy like that.
Darnell Mooney	\$5,200	BAL@CHI 1	CHI		Loss of Allen Robinson makes a healthy Mooney pretty interesting
Marquez Callaway	\$5,100	NO@PHI 1	NO		
Jarvis Landry	\$5,100	DET@CLE 1	CLE		
Corey Davis	\$5,000	MIA@NYJ 1	NYJ		
Kalif Raymond	\$5,000	DET@CLE 1	DET	ay	
Brandon Aiyuk	\$5,000	SF@JAX 11	SF		
Elijah Moore	\$4,900	MIA@NYJ 1	NYJ		Is he in the midst of a quantifiable ascension? I don't even know what those words mean.
Cole Beasley	\$4,800	IND@BUF 1	BUF		Cratered the shit out of my best lineups last week. If those ribs have healed he'll be a factor though
Tyler Boyd	\$4,800	CIN@LV 11	CIN		Cheaper and less owned than Higgins but matchup is only...meh
Jamison Crowder	\$4,700	MIA@NYJ 1	NYJ		Our crack team at OWS has uncovered data that shows Flacco not digging the slot receivers. Shit.
Jamal Agnew	\$4,700	SF@JAX 11	JAX	ay	
Robby Anderson	\$4,600	WAS@CAR	CAR		
A.J. Green	\$4,600	ARI@SEA 1	ARI		
Donovan Peoples-Jones	\$4,500	DET@CLE 1	CLE		
Rashod Bateman	\$4,500	BAL@CHI 1	BAL		I like Bateman a shitload this week. If Hollywood is limited at all, this price is gorgeous
Tre'Quan Smith	\$4,400	NO@PHI 1	NO		
Randall Cobb	\$4,400	GB@MIN 1	GB		
T.Y. Hilton	\$4,300	IND@BUF 1	IND		
Amon-Ra St. Brown	\$4,300	DET@CLE 1	DET		
Deonte Harris	\$4,200	NO@PHI 1	NO		
Rondale Moore	\$4,200	ARI@SEA 1	ARI		
Michael Gallup	\$4,200	DAL@KC 1	DAL	BB	I was so excited when early ownership pegged him at 4%. LOL...now he's a possible full fade
Laviska Shenault Jr.	\$4,100	SF@JAX 11	JAX		Jacksonville has ruined this prospect for which I had high hopes.
Bryan Edwards	\$4,100	CIN@LV 11	LV		A sprinkle in Carr stacks
Zach Pascal	\$4,000	IND@BUF 1	IND		
Sammy Watkins	\$4,000	BAL@CHI 1	BAL		
Mecole Hardman	\$4,000	DAL@KC 1	KC		Was left out in the cold last week...will this trend continue?
Gabriel Davis	\$3,900	IND@BUF 1	BUF		If we get news that Beasley is limited, Gabe becomes a good value
Devin Duvernay	\$3,800	BAL@CHI 1	BAL		
Quez Watkins	\$3,700	NO@PHI 1	PHI		Mixed opinions out there on Quez' matchup this week but he's the kind of MME play I always find room for
Marquez Valdes-Scantland	\$3,700	GB@MIN 1	GB		Lazard absence could prove beneficial to MVS...or we may have another...Cobb week? EEK!
Chester Rogers	\$3,500	HOU@TEN	TEN		
Marcus Johnson	\$3,500	HOU@TEN	TEN	WH	I've been following him since his Indy days. He's a real guy. Unless he becomes chalk, I'll be over the field
K.J. Osborn	\$3,400	GB@MIN 1	MIN		
DeSean Jackson	\$3,400	CIN@LV 11	LV		I have to jack his projection to the moon to get him in two Carr stacks...and I'm doing it
Byron Pringle	\$3,400	DAL@KC 1	KC	wh	Has been earning snaps recently. Always a good idea to roster the guys in which the arrow is pointing up
Nico Collins	\$3,300	HOU@TEN	HOU		
Nick Westbrook-Ikhine	\$3,300	HOU@TEN	TEN		
Jalen Reagor	\$3,300	NO@PHI 1	PHI		
DeAndre Carter	\$3,300	WAS@CAR	WAS		
Marquise Goodwin	\$3,300	BAL@CHI 1	CHI		
Adam Humphries	\$3,200	WAS@CAR	WAS		
Rashard Higgins	\$3,200	DET@CLE 1	CLE		
Cedrick Wilson	\$3,200	DAL@KC 1	DAL		Value has opened up right here. He could get plenty of looks from the slot in high scoring atmosphere.
Danny Amendola	\$3,100	HOU@TEN	HOU	WH	You feel like a donkey playing a 36 year old, sub 6-foot WR for Houston, don't you?
Keelan Cole Sr.	\$3,100	MIA@NYJ 1	NYJ		
Albert Wilson	\$3,100	MIA@NYJ 1	MIA		Made some plays vs Ravens last week. Has breakaway speed. May get additional opportunities.
Terrace Marshall Jr.	\$3,100	WAS@CAR	CAR
