

## Sonic's PPW - QB

Player	\$	Column4	Colu	Notes
Tom Brady	\$7,600	TB@IND 1	TB	Most likely player to throw for 300 yards and four TDS. I'm told that's good for fantasy.
Jalen Hurts	\$7,300	PHI@NYG	PHI	He's been a remarkably consistent fantasy performer and his price is reflecting this. I'll try to match the field with he and Goedart.
Matthew Stafford	\$7,100	LAR@GB 1	LAR	Bye week provided time to overhaul this struggling offense.
Aaron Rodgers	\$6,900	LAR@GB 1	GB	Won money for people last week and is matched up against a team that may make them speed up a little.
Justin Herbert	\$6,600	LAC@DEN	LAC	Should have plenty of drop-back opportunities in uptempo contest. Will be among my most-owned QBs
Kirk Cousins	\$6,300	MIN@SF 1	MIN	Will definitely be around 10% on DK and 20% on FD
Joe Burrow	\$6,200	PIT@CIN 1	CIN	Not really feeling this matchup for Burrow. Only \$400 less than Herbert and \$100 less than Cousins
Ryan Tannehill	\$6,100	TEN@NE 1	TEN	Among the worst spots he'll be in for his career
Carson Wentz	\$5,800	TB@IND 1	IND	If we think many points are scored in this game <i>and</i> TB can contain Taylor's run game...umm...
Jimmy Garoppolo	\$5,700	MIN@SF 1	SF	I'm running a stupid amount of Jimmy/Deebo/Kittle/Aiyuk stuff on FD
Daniel Jones	\$5,600	PHI@NYG	NYG	I'm hand building some stuff now and it's pretty fun. Playing the "New play caller narrative" opens up the imagination
Cam Newton	\$5,600	CAR@MIA	CAR	Price is great but matchup vs Miami isn't as great as full-season numbers would imply
Tua Tagovailoa	\$5,500	CAR@MIA	MIA	Tough matchup in game that may end up kinda meh all around
Matt Ryan	\$5,500	ATL@JAX	ATL	Just one or two stacks for FOMO purposes. JAX D has been low-key good
Mac Jones	\$5,400	TEN@NE 1	NE	Variance will need to hit positively and keep Pats RBs out of the end zone. Stack with exactly 2 pass catchers if you play him
Trevor Lawrence	\$5,400	ATL@JAX	JAX	Jags are the resistable force and ATL D is the easily moveable object. Nothing has to give!
Tyrod Taylor	\$5,300	NYJ@HOU	HOU	Bummer that ownership appears to be in the 10% range. I love Tyrod when he's contrarian
Teddy Bridgewater	\$5,300	LAC@DEN	DEN	Not a great matchup but this game itself could open up
Ben Roethlisberger	\$5,200	PIT@CIN 1	PIT	One of those cases where if you like FOUR of his skill players so why don't you like Ben?
Zach Wilson	\$5,100	NYJ@HOU	NYJ	Such a wild card. I'll hand-build 2-3 stacks
