

## Sonic's PPW - TE

| Player            | \$      | Column4   | Column | Notes   |
|-------------------|---------|-----------|--------|---|
| George Kittle     | \$6,400 | MIN@SF 11 | SF     | My gut loves him this week and I'm confirmed in Willing to Lose by LAREJO123  |
| Kyle Pitts        | \$6,100 | ATL@JAX 1 | ATL    | I like Kittle so much more. Pitts is the focal point of a gross offense.      |
| Mike Gesicki      | \$5,300 | CAR@MIA 1 | MIA    | Great choice if looking for low ownership with WR upside. Matchup is meh      |
| Dallas Goedert    | \$4,800 | PHI@NYG 1 | PHI    | If they throw at all, it goes to Dallas. Great matchup.                       |
| Noah Fant         | \$4,600 | LAC@DEN 1 | DEN    |   |
| Hunter Henry      | \$4,500 | TEN@NE 1  | NE     | All he does is catch touchdowns.  |
| Rob Gronkowski    | \$4,400 | TB@IND 11 | TB     | Underpriced on DK. Will likely be chalk so plan accordingly.                  |
| Pat Freiermuth    | \$4,300 | PIT@CIN 1 | PIT    | Ebron out means solid workload and end zone role.                             |
| Tyler Higbee      | \$4,200 | LAR@GB 1  | LAR    | I'll keep going back. Best Ball Bias (BBB)                                    |
| Dan Arnold        | \$4,000 | ATL@JAX 1 | JAX    | Still a solid piece although he has shown low floor recently                  |
| Evan Engram       | \$3,800 | PHI@NYG 1 | NYG    | It always feels gross clicking his name but he is viable once again.          |
| Tyler Conklin     | \$3,700 | MIN@SF 11 | MIN    | Should be part of the plan this week in a game chock full o' fantasy goodness |
| C.J. Uzomah       | \$3,400 | PIT@CIN 1 | CIN    |   |
| Jared Cook        | \$3,000 | LAC@DEN 1 | LAC    | Great price. He'll at least be in some game stacks                            |
| O.J. Howard       | \$2,900 | TB@IND 11 | TB     |   |
| Pharaoh Brown     | \$2,800 | NYJ@HOU 1 | HOU    |   |
| Jonnu Smith       | \$2,700 | TEN@NE 1  | NE     | Revenge narrative is generally BS. Jonnu hasn't done shit all year.           |
| Anthony Firkser   | \$2,700 | TEN@NE 1  | TEN    | Viable if Swaim sits again.   |
| Donald Parham Jr. | \$2,700 | LAC@DEN 1 | LAC    | 5 targets last week. Perhaps he's making a push                               |
| Ryan Griffin      | \$2,600 | NYJ@HOU 1 | NYJ    | Always among my punt group.   |
| Mo Alie-Cox       | \$2,600 | TB@IND 11 | IND    |   |
|                   |         |           |        |   |
