

Player	\$	Column4	Column	Notes
Cooper Kupp	\$9,600	LAR@GB 1:	LAR	He has earned the massive price tag but if you fade and he puts up 30, you're still fine.
Davante Adams	\$8,600	LAR@GB 1:	GB	Getting the Ramsey treatment this week. Will be fun to watch for sure. I'm not full-fading. He can win.
Justin Jefferson	\$8,300	MIN@SF 1:	MIN	Another week, another smash spot with low ownership. Yawn.
Deebo Samuel	\$7,900	MIN@SF 1:	SF	If he doesn't catch passes, he'll run it. Maybe this week he'll throw a TD pass!
Keenan Allen	\$7,400	LAC@DEN 1:	LAC	Looking like 15-20% ownership and he's \$1700 more expensive than Mike W. GPP opportunity abounds
Ja'Marr Chase	\$7,300	PIT@CIN 1:	CIN	Always massive upside but as JM mentioned, he's failed to crack 14 points SIX TIMES this year. Read the Grid.
Mike Evans	\$7,200	TB@IND 1:	TB	Giving him the Bold Green cuz he is low-owned. Leverage off Godwin chalk and Brady loves him in RZ
Chris Godwin	\$7,000	TB@IND 1:	TB	Probably the chalkiest WR on the slate but I won't be fading. Stacking a Brady a bunch.
Adam Thielen	\$6,700	MIN@SF 1:	MIN	Wish he was a tad less expensive. Ownership will be manageable so he'll be in some Cousins stacks
Diontae Johnson	\$6,600	PIT@CIN 1:	PIT	I love him when he is low-owned but sadly, those days are over. I'll eat some chalk and correlate him with J Chase
DeVonta Smith	\$6,400	PHI@NYG 1:	PHI	Low pass volume makes this stud's ceiling hard to reach
DJ Moore	\$6,200	CAR@MIA 1:	CAR	Not sure what to do with him. Honestly. I need to meditate again or something
Chase Claypool	\$6,000	PIT@CIN 1:	PIT	GPP leverage off Diontae. Will smash someday when they get a QB
Jaylen Waddle	\$5,900	CAR@MIA 1:	MIA	Not a great spot but he commands targets
Brandin Cooks	\$5,800	NYJ@HOU 1:	HOU	Smash spot for target share hog. You'll have to find some low-owned plays on his rosters though
Mike Williams	\$5,700	LAC@DEN 1:	LAC	Price dropping. Ownership plummeting. Maybe he finds it this week. Good GPP play IMO
Elijah Moore	\$5,600	NYJ@HOU 1:	NYJ	Total Wild Card. What will this offense look like with Zach Wilson vs a Houston D that has been rather feisty?
Michael Pittman Jr.	\$5,600	TB@IND 1:	IND	Will be most utilized bring-back in Brady stacks. I like the idea of a price pivot off him in those situations. I'll explain this better soon in Above the Field
Jerry Jeudy	\$5,500	LAC@DEN 1:	DEN	I'm not feeling him as much as the field will according to ownership projections. Maybe I'll shoot my shot at Sutton
Tee Higgins	\$5,400	PIT@CIN 1:	CIN	You know he'll smash once you've given up on him, right?
Courtland Sutton	\$5,400	LAC@DEN 1:	DEN	This is a extremely juicy spot for MME. Stud talent at this price with likely <4% ownership. 10% of him may 4x the field
Marvin Jones Jr.	\$5,300	ATL@JAX 1:	JAX	Bad matchup and lame offense
Brandon Aiyuk	\$5,300	MIN@SF 1:	SF	He'll be in a bunch of my lineups because I'm banking on this game environment
Kadarius Toney	\$5,200	PHI@NYG 1:	NYG	
Kenny Golladay	\$5,100	PHI@NYG 1:	NYG	He's the type of player that needs to be in your pool when injuries create opportunity
Tyler Boyd	\$5,100	PIT@CIN 1:	CIN	Just doesn't seem to possess the ceiling we need in huge tournaments
Russell Gage	\$5,100	ATL@JAX 1:	ATL	
Jakobi Meyers	\$5,000	TEN@NE 1:	NE	Matchup is nice and Mac is starting to open things up a little. Meyers needs to get back to the 10 target range to be a tourney factor though
Odell Beckham Jr.	\$5,000	LAR@GB 1:	LAR	Cheap and under 5% ownership. Poser or baller? OBJ, your life is calling. This is your last chance.
Darius Slayton	\$4,900	PHI@NYG 1:	NYG	Normally WR/CB matchups don't phase me all that much but Slayton gets Slay this week and that sounds ominous
Kendrick Bourne	\$4,900	TEN@NE 1:	NE	Papy wrote this game up brilliantly. Bourne needs a broken play like he got vs Dallas.
Van Jefferson Jr.	\$4,900	LAR@GB 1:	LAR	Matchup is tough. Is he the #2?
Corey Davis	\$4,800	NYJ@HOU 1:	NYJ	JM likes him correlated with Tyrod Taylor naked. His angle in the Grid is next-level
Tim Patrick	\$4,800	LAC@DEN 1:	DEN	
Jamison Crowder	\$4,700	NYJ@HOU 1:	NYJ	Always under consideration for me. He can get hot and rack up PPR from his slot position
Robby Anderson	\$4,700	CAR@MIA 1:	CAR	The fog is clearing. Robby is back!
Laviska Shenault Jr.	\$4,400	ATL@JAX 1:	JAX	Subject of the dreaded Coach Speak. I'll bite because he's cheap enough and this slate is borderline barren
Olamide Zaccheaus	\$4,400	ATL@JAX 1:	ATL	I won't be getting here this week.
Nelson Agholor	\$4,300	TEN@NE 1:	NE	He has a ceiling. It's just tough to get there on run-first team that likely won't need or want to air it out.
Marquez Valdes-Scantling	\$4,100	LAR@GB 1:	GB	Keep an eye on Lazard's injury status. Lazard torched Rams in their last meeting and his presence would take shine off MVS
T.Y. Hilton	\$4,000	TB@IND 1:	IND	
Nick Westbrook-Ikhine	\$4,000	TEN@NE 1:	TEN	He won't be the Titans WR I throw darts at. Probably facing JC Jackson, who is really good.
Chris Conley	\$3,900	NYJ@HOU 1:	HOU	
Tyler Johnson	\$3,900	TB@IND 1:	TB	Got his opportunity but simply hasn't seized it. Scotty Miller may return this week
James Washington	\$3,900	PIT@CIN 1:	PIT	
Tajae Sharpe	\$3,900	ATL@JAX 1:	ATL	
Allen Lazard	\$3,800	LAR@GB 1:	GB	Intriguing if healthy
Randall Cobb	\$3,700	LAR@GB 1:	GB	
Zach Pascal	\$3,500	TB@IND 1:	IND	I was overlooking him until I read the writings of my colleagues in The Oracle. Never fade The Oracle!
Quez Watkins	\$3,500	PHI@NYG 1:	PHI	Goose egg last week and Hurts is averaging less than TWENTY pass attempts over last four games
Chester Rogers	\$3,500	TEN@NE 1:	TEN	He's likely the guy I'll look to for salary relief in this game. Don't feel great about it though.
K.J. Osborn	\$3,400	MIN@SF 1:	MIN	
John Ross III	\$3,300	PHI@NYG 1:	NYG	Dinged up
Mack Hollins	\$3,300	CAR@MIA 1:	MIA	meh
Marcus Johnson	\$3,300	TEN@NE 1:	TEN	I finished 20th in the Milly last week with a ZERO from Marcus. Rest that hammy, son.
Ray-Ray McCloud III	\$3,300	PIT@CIN 1:	PIT	
Nico Collins	\$3,200	NYJ@HOU 1:	HOU	Still awaiting his breakout
Dez Fitzpatrick	\$3,200	TEN@NE 1:	TEN	Cheap piece that may see roster-worthy targets. Feels pretty damn thin though
Keelan Cole Sr.	\$3,100	NYJ@HOU 1:	NYJ	
Albert Wilson	\$3,100	CAR@MIA 1:	MIA	I'm kind of a sucker for his big-play upside
Terrace Marshall Jr.	\$3,100	CAR@MIA 1:	CAR	
Equanimeous St. Brown	\$3,100	LAR@GB 1:	GB	
Danny Amendola	\$3,000	NYJ@HOU 1:	HOU	Capable of earning targets among an inexperienced group of options after Cooks
