

Player	\$	Column4	Column	Notes
Josh Allen	\$8,200	BUF@JAX 1	BUF	Skinny stacks. Double stacks. Every which way. Find some value elsewhere cuz we may need Allen for 1st place.
Kyler Murray	\$7,900	ARI@SF 11,	ARI	Gimpy this week but hasn't been running much anyway. If he plays, decreased ownership should outweigh effects of injury.
Patrick Mahomes	\$7,800	GB@KC 11,	KC	Always 10% in MME
Lamar Jackson	\$7,300	MIN@BAL :	BAL	Stack him up and use a bring-back. Tell a story of a shootout. See Hilow's End Around.
Justin Herbert	\$7,000	LAC@PHI 1	LAC	Fast paced game vs team that plays deep coverage. Herbert can be patient because Eagles incapable of pressure
Dak Prescott	\$6,900	DEN@DAL	DAL	Looking like he'll be owned around middle of QB pack. That bodes well for stacking the shit out of him in tournaments
Joe Burrow	\$6,800	CLE@CIN 1	CIN	These teams generally play slow but two recent games resulted in shootouts. Pick the TD catchers here and ascend the boards
Jalen Hurts	\$6,700	LAC@PHI 1	PHI	Don't hate him naked here. *Mrs Sonic just saw me type that and was like "WTF?". Chargers poor vs run and Hurts...runs.
Kirk Cousins	\$6,200	MIN@BAL :	MIN	No one ever loves playing him but he flirts with Milly winning rosters fairly often.
Derek Carr	\$5,900	LV@NYG 1:	LV	Fast paced game vs middling defense. Carr having his best season as a passer and as a leader. I'll have my shares.
Tua Tagovailoa	\$5,800	HOU@MIA	MIA	Sad that Parker is out but that narrows target tree for Tua stacks...which is nice. Tua has a injury issue. Less nice.
Jimmy Garoppolo	\$5,700	ARI@SF 11,	SF	We like Deebo. We like Kittle. We like Aiyuk. So...umm...yeah. Maybe Trey Lance stealing green zone work will burn us.
Matt Ryan	\$5,600	ATL@NO 1:	ATL	Awful offensive team with limited weapons against top 5 defense. Sign me up!
Daniel Jones	\$5,600	LV@NYG 1:	NYG	Not being discussed much but if he gets some healthy weapons he'll be OK. We know he has rushing upside. Good matchup.
Sam Darnold	\$5,500	NE@CAR 1:	CAR	News is in. Darnold is starting and should be really shitty.
Trevor Lawrence	\$5,400	BUF@JAX 1	JAX	Brutal matchup but will be forced into desperation mode
Trevor Siemian	\$5,400	ATL@NO 1:	NO	Only viable stacking partner is Kamara...and I tried to get resident Saints expert, Majesstik to tell me otherwise.
Baker Mayfield	\$5,400	CLE@CIN 1	CLE	Galvanized by the departure of malcontent receiver, Baker launches aerial assault on vulnerable Bengals...I can see it.
Teddy Bridgewater	\$5,300	DEN@DAL	DEN	We were on him last week vs WFT and died a miserable death. Let's jump back in! Flop lag, baby!!!
Mac Jones	\$5,300	NE@CAR 1:	NE	I made 2 stacks just for shits n giggles. No one will be dumb enough to feature this game.
Tyrod Taylor	\$5,000	HOU@MIA	HOU	Cheap, low-owned special I had Tyrod stacks in contention that week when Tyrod got hurt. I'm jumping back in.
P.J. Walker	\$5,000	NE@CAR 1:	CAR	
Jordan Love	\$4,400	GB@KC 11,	GB	Having fun building RB/WR stacks and replacing their QB with Love. Zeke/Amari, Gaskin/Waddle, Moss/Sanders etc
