

Player	\$	Column4	Column	Notes
Patrick Mahomes	\$8,000	LV@KC 12/	KC	Smashed vs Raiders previously. How will they adjust?
Josh Allen	\$7,800	BUF@TB 12/	BUF	No rush TDs last 5 weeks. 2nd highest ownership at his position but ceiling in this environment are real
Tom Brady	\$7,600	BUF@TB 12/	TB	Stack him up per usual but it will be pricy. Just we cognizant of the ceilings of the fill-in players
Lamar Jackson	\$7,400	BAL@CLE 1/	BAL	I was ready to be off Lamar this week but the more I dug in, the more excited I got
Justin Herbert	\$7,100	NYG@LAC 1/	LAC	Losing Keenan hurts in real life but opens up cheaper stacking options for us
Dak Prescott	\$6,700	DAL@WAS 1/	DAL	JM prefers skinny Dak stacks this week over doubles due to his penchant for spreading the ball around
Russell Wilson	\$6,600	SEA@HOU 1/	SEA	Might be a "get Russ and the passing game going" narrative here and Houston is vulnerable
Ryan Tannehill	\$6,400	JAX@TEN 1/	TEN	Implied total is 26.5. It's gonna come from somewhere and Titans RBs are...meh
Joe Burrow	\$6,000	SF@CIN 12/	CIN	High total game but gonna be tough to double stack him with his WRs priced up...I'll try tho
Derek Carr	\$5,900	LV@KC 12/	LV	His pass catchers will be owned and they may play from behind, yet Carr will be low owned
Jimmy Garoppolo	\$5,800	SF@CIN 12/	SF	
Teddy Bridgewater	\$5,700	DET@DEN 1/	DEN	Micro ownership vs terrible opponent. Teddy is not good, let's not get that twisted...but MME set up is nice
Taysom Hill	\$5,600	NO@NYJ 1/	NO	Ownership may spike here but we may need to play him anyway and differentiate elsewhere. He's way underpriced
Taylor Heinicke	\$5,500	DAL@WAS 1/	WAS	Nice price and in a game that might stay close enough to push the totals
Cam Newton	\$5,400	ATL@CAR 1/	CAR	Should be owned at 1/3 rate of Taysom. Cam could rush for 2 scores...or get benched again
Zach Wilson	\$5,300	NO@NYJ 1/	NYJ	
Matt Ryan	\$5,300	ATL@CAR 1/	ATL	Matchup is too tough to warrant exposure given Ryan's limited weaponry
Baker Mayfield	\$5,200	BAL@CLE 1/	CLE	I'll have some shares in case this game shoots out
Trevor Lawrence	\$5,100	JAX@TEN 1/	JAX	They look SO bad but he's incredibly cheap and micro-owned
Jared Goff	\$5,100	DET@DEN 1/	DET	
Davis Mills	\$5,000	SEA@HOU 1/	HOU	
Mike Glennon	\$4,900	NYG@LAC 1/	NYG	Just can't see enough upside despite price
