

Sonic's PPW - RB

Player	\$	Column4	Colu	Notes
Austin Ekeler	\$8,300	NYG@LAC	LAC	Hilow warns of non-guaranteed usage and Cowboys stiffness in RZ. That sucks cuz I was loving him!
Alvin Kamara	\$7,900	NO@NYJ	NO	Only questions are health and maybe Taysom vulturing at goal line. Smash spot of all smash spots
Joe Mixon	\$7,700	SF@CIN	CIN	There should be points in this game and variance could lead us to RB plunges. Wish they would throw to him a little
Nick Chubb	\$7,600	BAL@CLE	CLE	Not projecting well but I'm gonna cram him into a handful of lineups because he's Nick fucking Chubb
Leonard Fournette	\$7,400	BUF@TB	TB	Price is creeping up but I'm not 100% sure Bills D isn't broken
Ezekiel Elliott	\$7,300	DAL@WAS	DAL	If Pollard is out we'll see how good that knee feels
Cordarrelle Patterson	\$6,900	ATL@CAR	ATL	Have to get him into the pool. When I don't he bends me over
Tony Pollard	\$6,400	DAL@WAS	DAL	
Josh Jacobs	\$6,200	LV@KC	LV	Jacobs is a blind spot for many including me. If I cover his name and look at matchup and game logs, he's a near-lock
Clyde Edwards-Helaire	\$6,100	LV@KC	KC	Too bad D Williams is getting so many snaps.
Antonio Gibson	\$6,000	DAL@WAS	WAS	Priced way to low especially if McKissic sits again. Will be chalk and fully digestable.
Saquon Barkley	\$6,000	NYG@LAC	NYG	Has not been efficient at all and this offense is woeful but LAC is generous vs run
Chuba Hubbard	\$5,900	ATL@CAR	CAR	I just don't think they have enough faith in the rookie. Abdullah is getting snaps and Cam is GL back
Javonte Williams	\$5,900	DET@DEN	DEN	If Gordon plays then it's a matter of splits. He may be higher owned than a committee back should be
James Robinson	\$5,800	JAX@TEN	JAX	May be this week's low-owned back you needed. His QB spoke out in his favor and his coaches should react
Devonta Freeman	\$5,700	BAL@CLE	BAL	Getting touches but somehow feels more floor than ceiling to me
Kareem Hunt	\$5,600	BAL@CLE	CLE	
Melvin Gordon III	\$5,400	DET@DEN	DEN	
Dontrell Hilliard	\$5,300	JAX@TEN	TEN	
Darrel Williams	\$5,300	LV@KC	KC	
Matt Breida	\$5,300	BUF@TB	BUF	
Alex Collins	\$5,200	SEA@HOU	SEA	
Jeremy McNichols	\$5,200	JAX@TEN	TEN	
David Johnson	\$5,100	SEA@HOU	HOU	
D'Onta Foreman	\$5,100	JAX@TEN	TEN	Titans love to run and Foreman is your play-from-ahead gringer and GL back. At this price, he's...fine
J.D. McKissic	\$5,000	DAL@WAS	WAS	
Rashaad Penny	\$4,800	SEA@HOU	SEA	Texans do not appear to be interested in winning. If only Penny was a bit cheaper or didn't share backfield
Jeff Wilson Jr.	\$4,400	SF@CIN	SF	Has emerged as the cheap RB chalk of the week. I'm leaning on 2x-ing the field as of Saturday at noon
Ty Johnson	\$4,400	NO@NYJ	NYJ	I think Ty is really good. Sadly, I am not employed by the New York Jets
Godwin Igwebuike	\$4,000	DET@DEN	DET	Covid hitting RBs in this game...
