

Player	\$	Column4	Column	Notes
Tyreek Hill	\$8,500	LV@KC 12/	KC	Always has slate-breaking upside. Question becomes what you sacrifice to fit him
Stefon Diggs	\$8,100	BUF@TB 12	BUF	Always a chance he goes crazy. My exposure will depend on Deebo's availability plus will be above field on Tyreek
Deebo Samuel	\$8,000	SF@CIN 12	SF	Suit up, Deebs. An ugly slate needs you
CeeDee Lamb	\$7,200	DAL@WAS	DAL	Capable of breaking a slate and coming in around 7%
Chris Godwin	\$7,100	BUF@TB 12	TB	I'll be under ownership in favor of Evans. Pray for me
Terry McLaurin	\$7,000	DAL@WAS	WAS	Looks like he'll be coming in low owned and matchup/role and great. If this game speeds up, he could win toureys
Ja'Marr Chase	\$6,900	SF@CIN 12	CIN	I will be above the field per usual
Tyler Lockett	\$6,700	SEA@HOU	SEA	Hope his ownership stays around the 10-12% area cuz this may be one of those explosion games
Mike Evans	\$6,600	BUF@TB 12	TB	He's my guy this week
DK Metcalf	\$6,500	SEA@HOU	SEA	Due to breakout and this matchup is cake
Tee Higgins	\$6,400	SF@CIN 12	CIN	He is back...but sadly the price has finally followed
Marquise Brown	\$6,300	BAL@CLE 1	BAL	Should be low owned but hasn't smashed vs Browns D scheme recently...UPDATE: CB Newsome injured
DJ Moore	\$6,200	ATL@CAR 1	CAR	Such an interesting decision for me. New OC and Cam under center. Just no idea what they'll do. If he's owned, I'm out
Hunter Renfrow	\$6,100	LV@KC 12/	LV	Formerly cash-only player has thriving on extra opportunity. Ownership will dictate my involvement, however
Mike Williams	\$6,000	NYG@LAC	LAC	Chalk WR of the week. Game theory leads me to underweight him or take a near-lock stand. Tough call. Leaning semi-fade
Amari Cooper	\$5,900	DAL@WAS	DAL	Tough to trust given recent usage. I'll relegate him to Dak stacks
Elijah Moore	\$5,900	NO@NYJ 1	NYJ	If quad is good, I love him. That is a big IF however
Brandon Aiyuk	\$5,800	SF@CIN 12	SF	Don't love the escalation in price. Flop last week may lead to reasonable ownership though
Brandin Cooks	\$5,700	SEA@HOU	HOU	I'll have some correlation with Metcalf/Lockett
Russell Gage	\$5,700	ATL@CAR 1	ATL	Tough secondary in Carolina
Jerry Jeudy	\$5,600	DET@DEN	DEN	I like him to get majority of targets in a soft matchup. I'll get above the field here
Michael Gallup	\$5,500	DAL@WAS	DAL	Upside is there and as MJOHNSON pointed out, if he hits Dak will likely be hitting, too
Julio Jones	\$5,400	JAX@TEN 1	TEN	Matchup is great but will he play...and play full complement of snaps? I'm going to hedge towards YES
Jarvis Landry	\$5,400	BAL@CLE 1	CLE	Not sexy in terms of upside but price is right if you are betting on this game speeding up, which I am
Courtland Sutton	\$5,300	DET@DEN	DEN	Alpha type receiver might get chance to ear his hefty paycheck this week vs depleted Lions
Tyler Boyd	\$5,000	SF@CIN 12	CIN	
Amon-Ra St. Brown	\$5,000	DET@DEN	DET	Great outing last week but this Denver matchup is brutal and this elevated price doesn't help
Cole Beasley	\$5,000	BUF@TB 12	BUF	This could be a Beasley game. Read Hilow and JM's awesomeness in the the Edge.
Emmanuel Sanders	\$4,900	BUF@TB 12	BUF	Not feeling him this week. Can't play em all
Tre'Quan Smith	\$4,800	NO@NYJ 1	NO	A couple of stabs per usual
Kenny Golladay	\$4,800	NYG@LAC	NYG	
Tim Patrick	\$4,800	DET@DEN	DEN	Lions CBs are thin already and now 2 more rules out for Covid
Jamison Crowder	\$4,700	NO@NYJ 1	NYJ	Tough matchup in slot vs Saints but he may be last real football player left on Jets side
Rashod Bateman	\$4,700	BAL@CLE 1	BAL	Sad to see his role reduced lately in favor of Sammy Watkins
Sterling Shepard	\$4,600	NYG@LAC	NYG	Sneaky upside if he plays. No one will notice
Sammy Watkins	\$4,600	BAL@CLE 1	BAL	
Marvin Jones Jr.	\$4,500	JAX@TEN 1	JAX	Very cheap. If ownership says Treadwell, I'll be here instead
Nick Westbrook-Ikhine	\$4,500	JAX@TEN 1	TEN	
Darius Slayton	\$4,400	NYG@LAC	NYG	
Laviska Shenault Jr.	\$4,300	JAX@TEN 1	JAX	
Marquez Callaway	\$4,300	NO@NYJ 1	NO	Seems like a decent price if you want a non-Kamara guy to stack with Taysom
Robby Anderson	\$4,300	ATL@CAR 1	CAR	
Kalif Raymond	\$4,200	DET@DEN	DET	
Josh Reynolds	\$4,100	DET@DEN	DET	Affordable and has best matchup of this thin Lions unit
Mecole Hardman	\$3,900	LV@KC 12/	KC	Doghouse
DeSean Jackson	\$3,900	LV@KC 12/	LV	
Donovan Peoples-Jones	\$3,900	BAL@CLE 1	CLE	Among my favorite plays this week. Salary saver with upside. Was encouraged to see him appear in JM's grid
Olamide Zaccheaus	\$3,800	ATL@CAR 1	ATL	
Curtis Samuel	\$3,600	DAL@WAS	WAS	
Dez Fitzpatrick	\$3,600	JAX@TEN 1	TEN	
Tajae Sharpe	\$3,600	ATL@CAR 1	ATL	
Adam Humphries	\$3,500	DAL@WAS	WAS	
Cedrick Wilson	\$3,500	DAL@WAS	DAL	
Gabriel Davis	\$3,500	BUF@TB 12	BUF	Like him in some Allen stacks. Sanders has been fading and had some personal issues this week
Devin Duvernay	\$3,500	BAL@CLE 1	BAL	
DeAndre Carter	\$3,400	DAL@WAS	WAS	
Laquan Treadwell	\$3,400	JAX@TEN 1	JAX	
Chester Rogers	\$3,400	JAX@TEN 1	TEN	
Zay Jones	\$3,400	LV@KC 12/	LV	
Jalen Guyton	\$3,400	NYG@LAC	LAC	Has huge role compared to price. I expect to see ownership creep up from the current 6-8% range
Freddie Swain	\$3,300	SEA@HOU	SEA	
Chris Conley	\$3,300	SEA@HOU	HOU	
Jauan Jennings	\$3,300	SF@CIN 12	SF	
Marcus Johnson	\$3,300	JAX@TEN 1	TEN	
Bryan Edwards	\$3,300	LV@KC 12/	LV	
Ty Montgomery	\$3,300	NO@NYJ 1	NO	
Rashard Higgins	\$3,300	BAL@CLE 1	CLE	
Dee Eskridge	\$3,200	SEA@HOU	SEA	
Tavon Austin	\$3,200	JAX@TEN 1	JAX	
Golden Tate	\$3,200	JAX@TEN 1	TEN	
Byron Pringle	\$3,200	LV@KC 12/	KC	Opportunity will be there although the matchup isn't awesome. At this price the decision will be stacks only or floating, too?
Lil'Jordan Humphrey	\$3,200	NO@NYJ 1	NO	
John Ross III	\$3,200	NYG@LAC	NYG	
Quintez Cephus	\$3,200	DET@DEN	DET	
Tyler Johnson	\$3,200	BUF@TB 12	TB	
Danny Amendola	\$3,100	SEA@HOU	HOU	
Keelan Cole Sr.	\$3,100	NO@NYJ 1	NYJ	May see a role this week with Corey Davis out. More so if Eli Moore sits as well
Terrace Marshall Jr.	\$3,100	ATL@CAR 1	CAR	
Joshua Palmer	\$3,000	NYG@LAC	LAC	I like him a bit better than Guyton as a player. We'll see if he proves it this week
Denzel Mims	\$3,000	NO@NYJ 1	NYJ	May see a role this week with Corey Davis out. More so if Eli Moore sits as well
Breshad Perriman	\$3,000	BUF@TB 12	TB	I kinda dig him as a punt/dart. Brady has looked his way and the dude has some speed
Nico Collins	\$3,000	SEA@HOU	HOU
