

Player	\$	Column4	Column	Notes
Josh Allen	\$8,100	CAR@BUF	BUF	Massive ceiling every week.
Kyler Murray	\$7,900	ARI@DET 1	ARI	Team doesn't show same propensity to keep foot on the gas in blowout win scenario. Detroit will need to find some success
Aaron Rodgers	\$7,500	GB@BAL 1	GB	Everyone from Ravens secondary is injured. Aaron Rodgers is a hall of fame player. Do not overthink.
Lamar Jackson	\$7,200	GB@BAL 1	BAL	Q
Dak Prescott	\$6,500	DAL@NYG	DAL	Path of least resistance leads to Lamb/Chultz stacks. I'm unlikely to employ a Giants bring-back often.
Joe Burrow	\$6,100	CIN@DEN	CIN	I like a few stacks with Chase/Uzomah and I don't love the bring back options for Denver. Maybe Javonte...
Ryan Tannehill	\$5,900	TEN@PIT 1	TEN	I'll hand-build a few stacks. I'll try him naked with Najee and Dionte coming back. Might work in some Swaim/Julio
Jimmy Garoppolo	\$5,800	ATL@SF 12	SF	I'll make 5-8 stacks with the triumverate of weapons
Tua Tagovailoa	\$5,700	NYJ@MIA 1	MIA	Should be pretty chalky and TDs could go to complete randoms. I'll be under despite Jets matchup
Ben Roethlisberger	\$5,600	TEN@PIT 1	PIT	Ben has been putting up numbers and he's nice price pivot off likely Tua chalk. Diontae/Claypool stacks & bring back with Foreman or Swaim
Teddy Bridgewater	\$5,500	CIN@DEN	DEN	
Davis Mills	\$5,400	HOU@JAX	HOU	On a week like this I wouldn't be surprised if Mills/Cooks won it all
Tyler Huntley	\$5,400	GB@BAL 1	BAL	I like the player a lot. If Lamar isn't scratched until inactives are posted, he may go overlooked
Cam Newton	\$5,400	CAR@BUF	CAR	
Matt Ryan	\$5,300	ATL@SF 12	ATL	Not a sexy option but cheap price leads me to a few Gage/Pitts stacks with various 49ers coming back
Mike Glennon	\$5,200	DAL@NYG	NYG	
Zach Wilson	\$5,200	NYJ@MIA 1	NYJ	
Trevor Lawrence	\$5,100	HOU@JAX	JAX	If it's ever gonna happen, this is the week. I'm gonna have a couple of stacks with Marvin
Jared Goff	\$5,100	ARI@DET 1	DET
