

Player	\$	Column4	Colu	Notes
Najee Harris	\$7,800	TEN@PIT 1	PIT	I was all excited to play him for guaranteed points on thi sugly RB slate...until I saw he'll be owned. Boo
Ezekiel Elliott	\$7,300	DAL@NYG	DAL	Price is silly for his recent production so he is technically a good gpp play if ownership stays sub 10%
Joe Mixon	\$7,200	CIN@DEN	CIN	I wish they'd give him the passing work he was getting in weeks 6,8 and 9
Cordarrelle Patterson	\$6,900	ATL@SF 12	ATL	Gone from dynamic fantasy player of the year to between-the-tackles grinder. WTF? Free him!
Aaron Jones	\$6,600	GB@BAL 1	GB	As the seasons change, he transforms into AJ Dillon's understudy
Saquon Barkley	\$6,500	DAL@NYG	NYG	Offensive just isn't explosive enough to allow for Saquon to shine. Cowboys matchup not ideal
James Conner	\$6,400	ARI@DET 1	ARI	Dinged up and likely sharing snaps with retirn of Edmonds...although both guys prject well on this ugly slate
Javonte Williams	\$6,100	CIN@DEN	DEN	Both these are which annoying hell
Melvin Gordon III	\$5,900	CIN@DEN	DEN	of guys questionable is as
Tony Pollard	\$5,800	DAL@NYG	DAL	Q
AJ Dillon	\$5,700	GB@BAL 1	GB	Decreased hope for a meaningful score when Aaron Jones is healthy
Chuba Hubbard	\$5,700	CAR@BUF	CAR	He is a just a guy
Myles Gaskin	\$5,600	NYJ@MIA 1	MIA	Jets really are that bad
Devonta Freeman	\$5,500	GB@BAL 1	BAL	If you combine his age, talent, opportunity and game environment he is...fine
James Robinson	\$5,400	HOU@JAX	JAX	Love the play until he became the absolute mega chalk on this barren slate. Gross.
D'Onta Foreman	\$5,200	TEN@PIT 1	TEN	Gets almost all of the 1st and 2nd down work vs Steelers defense that has been awful
Chase Edmonds	\$5,100	ARI@DET 1	ARI	Conner workload unpredictable due to injury and game script. Edmonds should be work in considerably
Mike Davis	\$5,100	ATL@SF 12	ATL	not my guy
Jeff Wilson Jr.	\$5,000	ATL@SF 12	SF	Limited upside with Deebo there although 49ers should dominate trenches. Would need to fall in end zone 2x
Tevin Coleman	\$5,000	NYJ@MIA 1	NYJ	not my guy
Devin Singletary	\$5,000	CAR@BUF	BUF	Maybe on FD? Nah
David Johnson	\$4,900	HOU@JAX	HOU	Interesting play if Burkhead is out. Workload in running and passing game vs weak opponent
Dontrell Hilliard	\$4,900	TEN@PIT 1	TEN	
Ty Johnson	\$4,800	NYJ@MIA 1	NYJ	
Matt Breida	\$4,800	CAR@BUF	BUF	
Devontae Booker	\$4,700	DAL@NYG	NYG	
Michael Carter	\$4,700	NYJ@MIA 1	NYJ	Some in the industry make a good case for him. We haven't really seen "Checkdown Zach" yet, which we'd need
