

Sonic's PPW - TE

Player	\$	Column4	Column	Notes
George Kittle	\$7,500	ATL@SF 12	SF	He has been simply monstrous. I'll be getting my shares until something changes
Mark Andrews	\$6,400	GB@BAL 12	BAL	\$1100 cheaper than Kittle, Goedart gone, and a nice ceiling means he'll find his way into my rosters
Kyle Pitts	\$5,500	ATL@SF 12	ATL	I like him more this week than recently. Ownership at 5% makes me want 10%
Zach Ertz	\$5,400	ARI@DET 1	ARI	A TE that gets targets from a good QB with a high implied total. SIGN ME UP
Dawson Knox	\$5,100	CAR@BUF 1	BUF	Seems like he just needs a couple more looks per game to become an elite dude
Mike Gesicki	\$5,000	NYJ@MIA 1	MIA	Should be the chalk. Strong play in vacuum but he could get sucked up. Has posted zeros on multiple occasions
Dalton Schultz	\$4,900	DAL@NYG 1	DAL	Solid play this week if you are TD hunting
Pat Freiermuth	\$4,500	TEN@PIT 1	PIT	If you think Steelers implied total is BS, Pat could be a TD target
Noah Fant	\$4,400	CIN@DEN 1	DEN	
Albert Okwuegbunam	\$3,300	CIN@DEN 1	DEN	Pretty cheap and word out of Denver is that they adore this young man
James O'Shaughnessy	\$3,200	HOU@JAX 1	JAX	Low ceiling. I'll keep him relegated to Lawrence stacks
Evan Engram	\$3,100	DAL@NYG 1	NYG	People are considering him again this week. The world is ending
C.J. Uzomah	\$3,100	CIN@DEN 1	CIN	He'll be in some of my Burrow stacks this week
Geoff Swaim	\$3,000	TEN@PIT 1	TEN	Target leader in sad array of options
Pharaoh Brown	\$2,900	HOU@JAX 1	HOU	
Ryan Griffin	\$2,900	NYJ@MIA 1	NYJ	
Brevin Jordan	\$2,800	HOU@JAX 1	HOU	Great athlete on the come-up.
