

| Player | \$ | Column4 | Column | Notes |
|----------------------|---------|-----------|--------|---|
| Davante Adams | \$8,900 | GB@BAL 1 | GB | With Kupp removed from this slate we should see heavy ownership here...but I won't be fading |
| Deebo Samuel | \$8,200 | ATL@SF 12 | SF | Sadly Deebo has been relegated to RB role with Mitchell out. Might be low owned on FD |
| Stefon Diggs | \$7,700 | CAR@BUF | BUF | Panthers will likely sick Gilmore on him. Ownership should be 20% range. Could still smash. Fuck man. I dunno |
| Diontae Johnson | \$7,500 | TEN@PIT 1 | PIT | I'm hand building a bunch of scenarios where this game exceeds expectations. Dionte could be WR1 this week |
| CeeDee Lamb | \$7,400 | DAL@NYG | DAL | Has slate breaking ceiling especially if Giants offense can propel game forward |
| Ja'Marr Chase | \$7,100 | CIN@DEN | CIN | Always has big aDOT upside. Not someone I'll ever fully fade |
| Jaylen Waddle | \$6,600 | NYJ@MIA | MIA | Covid Watch - |
| Tee Higgins | \$6,500 | CIN@DEN | CIN | This game will be low owned...for a reason. I'll hand-build a few Burrow stacks |
| Amari Cooper | \$6,400 | DAL@NYG | DAL | Individual matchup isn't great but if micro-owned I'll find some spots |
| Brandon Aiyuk | \$6,300 | ATL@SF 12 | SF | Like him a lot with Mitchell out and Deebo playing RB |
| DJ Moore | \$6,000 | CAR@BUF | CAR | Questionable with the dreaded hamstring. Matchup still tough despite Bills loss of T. White. QB play an issue, too |
| Chase Claypool | \$5,900 | TEN@PIT 1 | PIT | Narrative will be that he wants to shine after last week's 2 minute drill bonehead move. Matchup will help |
| Marquise Brown | \$5,900 | GB@BAL 1 | BAL | If ownership looks low, I'm 3x |
| Brandin Cooks | \$5,800 | HOU@JAX | HOU | Never fade guys with this volume. I don't care if the QB is Davis Mills or Davis Mattek |
| Russell Gage | \$5,800 | ATL@SF 12 | ATL | Price looks high at a glance but Gage has averaged over 8 targets over last four games and he's been efficient |
| Michael Gallup | \$5,500 | DAL@NYG | DAL | Coming in low-owned. Makes me interested given his big play ability/target depth |
| Julio Jones | \$5,400 | TEN@PIT 1 | TEN | Looking dusty |
| Jerry Jeudy | \$5,400 | CIN@DEN | DEN | Price is good. Feels kind of like a floor play though. Teddy seems to cap ceiling. I'll have 6-10% |
| Kenny Golladay | \$5,300 | DAL@NYG | NYG | I just can't chase TD-dependent duses on teams that don't score TDs |
| Christian Kirk | \$5,300 | ARI@DET 1 | ARI | Opportunity knocks and Kirk profiles as type of high aDOT player I will always play if ownership is reasonable |
| Amon-Ra St. Brown | \$5,200 | ARI@DET 1 | DET | Emerging youngster demanding targets from limited QB. They'll be behind and pass volume should be there |
| Kadarius Toney | \$5,100 | DAL@NYG | NYG | Q |
| Rashod Bateman | \$5,000 | GB@BAL 1 | BAL | Showed some chemistry with Huntley last week. Not sure if that repeats tho |
| Jamison Crowder | \$5,000 | NYJ@MIA | NYJ | |
| Marquez Valdes-Scar | \$4,900 | GB@BAL 1 | GB | His slightly inflated price doesn't really matter because he's a boom/bust guy. You aren't rostering him for his median |
| A.J. Green | \$4,900 | ARI@DET 1 | ARI | Seemed to discover the fountain of youth last week and I'm betting he continues for at least one more week |
| Tyler Boyd | \$4,900 | CIN@DEN | CIN | |
| Cole Beasley | \$4,900 | CAR@BUF | BUF | Always in play for high floor piece in otherwise ceiling-based lineups |
| Robby Anderson | \$4,800 | CAR@BUF | CAR | has appeared in winning Milly lineup in consecutive weeks albeit first one with a 2.5 |
| Sterling Shepard | \$4,700 | DAL@NYG | NYG | |
| Marvin Jones Jr. | \$4,600 | HOU@JAX | JAX | Planets feel like they are aligning for Marvin this week. Can he give us one more multi TD game for old times' sake? |
| Courtland Sutton | \$4,600 | CIN@DEN | DEN | Is this the guy I FINALLY stop rostering that blows up? |
| Darius Slayton | \$4,500 | DAL@NYG | NYG | |
| Tim Patrick | \$4,500 | CIN@DEN | DEN | |
| Rondale Moore | \$4,400 | ARI@DET 1 | ARI | Sprinkles in my 30 Kyler stacks |
| Kalif Raymond | \$4,400 | ARI@DET 1 | DET | |
| Laviska Shenault Jr. | \$4,300 | HOU@JAX | JAX | |
| Josh Reynolds | \$4,300 | ARI@DET 1 | DET | |
| DeVante Parker | \$4,300 | NYJ@MIA | MIA | Super chalk and somewhat volatile. I'll come in with a semi-fade for those reasons only. I actually love this man |
| Nick Westbrook-Ikhii | \$4,200 | TEN@PIT 1 | TEN | |
| Sammy Watkins | \$4,100 | GB@BAL 1 | BAL | |
| Allen Lazard | \$4,000 | GB@BAL 1 | GB | Like him in game stacks or at least correlated with a Ravens piece |
| Gabriel Davis | \$3,700 | CAR@BUF | BUF | Loved him as a play this week but sadly he is emerging as the chalk. Volatile chalk at that. |
| Chris Conley | \$3,600 | HOU@JAX | HOU | |
| Devin Duvernay | \$3,600 | GB@BAL 1 | BAL | |
| Jauan Jennings | \$3,600 | ATL@SF 12 | SF | |
| Cedrick Wilson | \$3,500 | DAL@NYG | DAL | |
| Nico Collins | \$3,500 | HOU@JAX | HOU | I'll have sprinkles |
| James Washington | \$3,500 | TEN@PIT 1 | PIT | |
| Dez Fitzpatrick | \$3,500 | TEN@PIT 1 | TEN | |
| Randall Cobb | \$3,500 | GB@BAL 1 | GB | |
| Olamide Zaccheaus | \$3,500 | ATL@SF 12 | ATL | |
| Keelan Cole Sr. | \$3,500 | NYJ@MIA | NYJ | |
| Albert Wilson | \$3,400 | NYJ@MIA | MIA | I'm a Albert Wilson sucker. I'll have 10% if Waddle sits |
| Laquon Treadwell | \$3,300 | HOU@JAX | JAX | Good price but this won't be the cheap guy that I allow to get into double digit % of my rosters |
| Ray-Ray McCloud III | \$3,300 | TEN@PIT 1 | PIT | JM likes him. Could be a high-target slot weapon just in case this game surprises |
| Tajae Sharpe | \$3,300 | ATL@SF 12 | ATL | |
| Tavon Austin | \$3,200 | HOU@JAX | JAX | |
| Danny Amendola | \$3,200 | HOU@JAX | HOU | |
| Chester Rogers | \$3,200 | TEN@PIT 1 | TEN | |
| Quintez Cephus | \$3,200 | ARI@DET 1 | DET | |
| Braxton Berrios | \$3,200 | NYJ@MIA | NYJ | They've been throwing to like 7 dudes |
| John Ross III | \$3,100 | DAL@NYG | NYG | |
| Mack Hollins | \$3,100 | NYJ@MIA | MIA | |
