

Sonic's PPW - DST

Player	\$	Column4	Column	Notes
Buccaneers	\$4,100	TB@CAR 1	TB	We may see a chalk DST at \$4100. They should obliterate this bange dup Panthers line
Eagles	\$3,600	NYG@PHI 1	PHI	Another good advantage in the trenches vs unspectacular QB play
Chiefs	\$3,500	PIT@KC 12	KC	Big Ben hasn't seen this version of the Chiefs defense. Could get ugly at Arrowhead
Chargers	\$3,400	LAC@HOU	LAC	These prices are very appropriate this week. Chargers are my 4th ranked D
Bills	\$3,200	BUF@NE 1	BUF	Should be low owned due to price and matchup against conservative Patriots offense
Rams	\$3,100	LAR@MIN	LAR	
Ravens	\$3,100	BAL@CIN 1	BAL	
Seahawks	\$3,000	CHI@SEA 1	SEA	Nick Foles might be rusty or shitty or both
Steelers	\$3,000	PIT@KC 12	PIT	
Patriots	\$2,900	BUF@NE 1	NE	Depleted weaponry for Josh Allen could result in an ugly AFC East slugfest
Raiders	\$2,900	DEN@LV 1	LV	Drew f**king Lock. They'll need to take a lead to force Denver to the air. I like the Jacobs/Raiders DST correlation
Bengals	\$2,800	BAL@CIN 1	CIN	As JM pointed out in the Grid, sacks could be had here
Broncos	\$2,800	DEN@LV 1	DEN	Raiders offense has been sputtering
Jets	\$2,700	JAX@NYJ 1	NYJ	Jags are not exactly an offensive juggernaut
Jaguars	\$2,700	JAX@NYJ 1	JAX	Will be highly owned again due to matchup. They aren't that good though...and Josh Allen (DE) is OUT
Lions	\$2,600	DET@ATL 1	DET	
Falcons	\$2,600	DET@ATL 1	ATL	Should be highly owned due to the "vs backup QB" factor but Falcons aren't exactly the Fearsome Foursome or anything
Giants	\$2,500	NYG@PHI 1	NYG	
Bears	\$2,500	CHI@SEA 1	CHI	Not a horrible play since Russ has proven sackable...I won't go here much tho
Vikings	\$2,400	LAR@MIN	MIN	
Texans	\$2,400	LAC@HOU	HOU	
Panthers	\$2,300	TB@CAR 1	CAR	I actually don't hate this. Bucs line has shown some cracks and Brady won't have two of his best weapons
