

Player	\$	Column4	Colu	Notes
Najee Harris	\$7,400	PIT@KC	PIT	Volume-driven pay up too be contrarian play
Joe Mixon	\$6,900	BAL@CIN	CIN	Ravens best in NFL at limiting yards per carry and Joe hasn't been targeted much lately
Alexander Mattison	\$6,800	LAR@MIN	MIN	Among highest RB ceilings on the slate. Vikings will need to lean on him in must-win game
Cordarrelle Patterson	\$6,700	DET@ATL	ATL	On one hand he's role has become mundane. On the other hand, he gets the Lions this week and he's the GL back
Saquon Barkley	\$6,500	NYG@PHI	NYG	Projecting OK. Ownership should be minimal. Hard to believe Saquon isn't exciting but here we are
D'Andre Swift	\$6,300	DET@ATL	DET	JM likes him a lot. I'm concerned about QB play and possible timeshare but at 6% ownership, worth a shot
Javonte Williams	\$6,100	DEN@LV	DEN	Don't think Broncos want Lock airing it out. Raiders most vulnerable vs RBs. Javonte will get his touches...hopefully at least 60/40 over Gordon
Josh Jacobs	\$6,000	DEN@LV	LV	"Diet Najee." Denvers numbers vs RBs are not particularly promising but Jacobs has been getting plenty of volume
James Robinson	\$5,900	JAX@NYJ	JAX	Great price due to role and silly matchup. No brainer play here unless you want to leverage ownership
Clyde Edwards-Helaire	\$5,800	PIT@KC	PIT	Advantage in the trenches here. These aren't your grandpa's Steelers
Melvin Gordon III	\$5,800	DEN@LV	DEN	Non-dynamic timeshare back. No thanks
Darrell Henderson Jr.	\$5,700	LAR@MIN	LAR	Non-dynamic timeshare back. No thanks
David Montgomery	\$5,700	CHI@SEA	CHI	Great spot for bellcow back
Miles Sanders	\$5,600	NYG@PHI	PHI	Q with a quad. Eagles will run the ball and run it well. But will Sanders get in box?
Damien Harris	\$5,600	BUF@NE	NE	Rhamondre is out. If we assume health with Damien's hammy, could be a low-owned tourney winner
Sony Michel	\$5,500	LAR@MIN	LAR	He's playable with Cooper Kupp and a nice leverage play in lineups without him
Rashaad Penny	\$5,500	CHI@SEA	SEA	Bears have been better than average vs RB this season and DeeJay Dallas got lots of snaps last week
Chuba Hubbard	\$5,400	TB@CAR	CAR	Non-dynamic timeshare back. No thanks
Devonta Freeman	\$5,300	BAL@CIN	BAL	Non-dynamic timeshare back. No thanks
Michael Carter	\$5,200	JAX@NYJ	NYJ	Will Jets deploy him like back in the good ol' Mike White days?
Devin Singletary	\$5,100	BUF@NE	BUF	Price pivot of Rojo chalk but I still don't think he's very good
Ronald Jones II	\$5,100	TB@CAR	TB	Lead back in Tom Brady-led offense = fantasy goodness
Jamaal Williams	\$5,000	DET@ATL	DET	Looking likely to play this week along with 7 other Lions RBs that are better than him
Devontae Booker	\$4,900	NYG@PHI	NYG	Non-dynamic timeshare back. No thanks
Mike Davis	\$4,900	DET@ATL	ATL	Non-dynamic timeshare back. No thanks
Alex Collins	\$4,900	CHI@SEA	SEA	
Tevin Coleman	\$4,800	JAX@NYJ	NYJ	Maybe he'll have a nice game so I don't feel like such a donkey for drafting him in Best Ball
Jalen Richard	\$4,800	DEN@LV	LV	
Kenneth Gainwell	\$4,700	NYG@PHI	PHI	
Darrel Williams	\$4,600	PIT@KC	PIT	He's a capable pass catcher. Might be worth a look if Tyreek and Kelce sit
Ameer Abdullah	\$4,500	TB@CAR	CAR	
Craig Reynolds	\$4,500	DET@ATL	DET	
Rex Burkhead	\$4,500	LAC@HOU	HOU	Projecting well with David Johnson out. Hard to get super excited but if he outscores Justin Jackson...holy shit
Damien Williams	\$4,500	CHI@SEA	CHI	
Ke'Shawn Vaughn	\$4,400	TB@CAR	TB	
Carlos Hyde	\$4,400	JAX@NYJ	JAX	
Latavius Murray	\$4,400	BAL@CIN	BAL	
Samaje Perine	\$4,400	BAL@CIN	CIN	
La'Mical Perine	\$4,300	JAX@NYJ	NYJ	
Matt Breida	\$4,200	BUF@NE	BUF	
Brandon Bolden	\$4,200	BUF@NE	NE	Keep an eye on Damien Harris' status. Bolden could be juicy price pivot of Justin Jackson mega chalk
Justin Jackson	\$4,200	LAC@HOU	LAC	Ekeler surprised DraftKings price-setters. You could make a case that JJ should be \$6,000 if he gets lead role
DeeJay Dallas	\$4,200	CHI@SEA	SEA	12 touches last week in perfect game script for him. Scored a TD and still didn't eclipse 3x this price
