

Player	\$	Column4	Color	Notes
Travis Kelce	\$7,300	PIT@KC 12	KC	Waiting on news with large implications
Mark Andrews	\$7,000	BAL@CIN 1	BAL	What can you say? Dude has been beasting...but now it appears he'll be playing with a different QB and my brain hurts
Rob Gronkowski	\$6,200	TB@CAR 12	TB	Should be Brady's security blanket and #1 target in red zone
Darren Waller	\$6,000	DEN@LV 12	LV	Doubtful per usual
Kyle Pitts	\$5,800	DET@ATL 1	ATL	Perfectly good spot vs Lions D allowing 6th most fpg to TEs over last month
Dawson Knox	\$5,300	BUF@NE 12	BUF	I like the player and increased opportunities should be there but damn...Pats are tough vs TE
Dallas Goedert	\$5,100	NYG@PHI 1	PHI	My favorite TE play now that a bit of doubt is cast in Mark Andrews' direction
Hunter Henry	\$4,700	BUF@NE 12	NE	Not a great matchup but he'll get he'll still be among Mac's favorite targets
Noah Fant	\$4,400	DEN@LV 12	DEN	Raiders tend to stifle wide receivers deep, leaving some opportunity underneath. Should be LOW-owned
Tyler Conklin	\$3,900	LAR@MIN 1	MIN	fine play I suppose, I'll only use him with a Rams player
Tyler Higbee	\$3,800	LAR@MIN 1	LAR	In some Stafford stacks
Gerald Everett	\$3,700	CHI@SEA 1	SEA	Fine in one or two Russ stacks I suppose
Foster Moreau	\$3,600	DEN@LV 12	LV	Fine but prob not for me
Jared Cook	\$3,500	LAC@HOU 1	LAC	Price is right for matchup and decreased competition from Parham. Still feels gross to click him tho
Evan Engram	\$3,400	NYG@PHI 1	NYG	
Cole Kmet	\$3,300	CHI@SEA 1	CHI	Been really solid lately. Perhaps Foles can build on this?
James O'Shaughnessy	\$3,200	JAX@NYJ 1	JAX	He probably projects well if Dan Arnold misses but ceiling isn't particularly inspiring IMO
Albert Okwuegbunam	\$3,100	DEN@LV 12	DEN	
Ryan Griffin	\$3,000	JAX@NYJ 1	NYJ	If he had a better QB, he might do more stuff
C.J. Uzomah	\$3,000	BAL@CIN 1	CIN	Have shown 24+ point ceiling twice this season and this would be the matchup to hope for another
Dan Arnold	\$2,900	JAX@NYJ 1	JAX	May play
