

Player	\$	Column4	Colu	Notes
Cooper Kupp	\$9,100	LAR@MIN	LAR	Lock button in full consideration. It's not like this slate is lacking value
Tyreek Hill	\$8,400	PIT@KC 1:KC		Tyreek has been cleared to play and I don't assume he'll be limited...but his ownership may be
Justin Jefferson	\$8,100	LAR@MIN	MIN	Facing Ramsey this week at least some of the time but he can get his vs anyone. Get your popcorn ready
Keenan Allen	\$7,700	LAC@HOU	LAC	I'm leaning more towards Mike Williams this week but I'll have some shares of Keenan
Stefon Diggs	\$7,600	BUF@NE	BUF	JC Jackson plays CB for the Pats and he's wicked good, dude
Diontae Johnson	\$7,500	PIT@KC 1:PIT		I miss those days when Diontae was cheap. Made it so much easier to stomach any connection to Round Ben
Ja'Marr Chase	\$7,100	BAL@CIN	CIN	Stud deep threat with huge upside...but you have the internet, you know this
Adam Thielen	\$6,900	LAR@MIN	MIN	Return from ankle injury provides another bring-back option for Stafford stacks
Hunter Renfrow	\$6,800	DEN@LV	LV	Low volume week last week was difficult to justify. I expect plenty of targets this week but matchup is meh
Tyler Lockett	\$6,700	CHI@SEA	SEA	Lockett has 40 point upside. I'm here for it
DK Metcalf	\$6,400	CHI@SEA	SEA	Might use Lockett as my floater and relegate DK to 4-5 Russ stacks
Brandin Cooks	\$6,300	LAC@HOU	HOU	Please beat Cvoid in time. PLEASE!
Tee Higgins	\$6,200	BAL@CIN	CIN	Praying these Bengals guys don't get steamed before lock
Mike Williams	\$6,100	LAC@HOU	LAC	Was already in good matchup and now half of Texans secondary has Covid
DeVonta Smith	\$6,000	NYG@PHI	PHI	Giants are no pushovers vs WR and Jalen Hurts doesn't chuck it enough to depend on volume
Russell Gage	\$5,900	DET@ATL	ATL	Too bad his price has come up so much cuz matchup is pure and dude is ballin
Marquise Brown	\$5,800	BAL@CIN	BAL	Not the perfect matchup but he's been getting peppered short and always capable of getting behind the D
DJ Moore	\$5,700	TB@CAR	CAR	Waiting on injury news. Not obligated to use a bring-back in Brady stacks but he'd be a candidate
Amon-Ra St. Brown	\$5,600	DET@ATL	DET	Emerging star should see reasonable ownership due to Goff absence
Van Jefferson Jr.	\$5,500	LAR@MIN	LAR	Young player on the come-up, attached to Stafford/Kupp offense in high total contest
Darnell Mooney	\$5,400	CHI@SEA	CHI	Will Foles jive with him like Fields and Dalton did?
Kenny Golladay	\$5,300	NYG@PHI	NYG	
Odell Beckham Jr.	\$5,300	LAR@MIN	LAR	Odell showing signs of the man he used to be. Browns fans must be pissed
Tyler Boyd	\$5,100	BAL@CIN	CIN	Finally broke out last week. I missed you, Tyler!
Chase Claypool	\$5,100	PIT@KC 1:PIT		I'm on the fence here. Some touts like him due to low ownership and TD upside sans Freiermuth. I'm luke warm right now
Jamison Crowder	\$5,000	JAX@NYJ	NYJ	Doubtful
Kendrick Bourne	\$5,000	BUF@NE	INE	Cleared to play but matchup isn't awesome
Jerry Jeudy	\$5,000	DEN@LV	DEN	Underwhelming recently but he does not lack talent. Maybe Lock goes full YOLO
Kadarius Toney	\$4,900	NYG@PHI	NYG	Q
Jakobi Meyers	\$4,900	BUF@NE	INE	Bills D has been stingy and Meyers doesn't exactly profile as a ceiling guy
Robby Anderson	\$4,900	TB@CAR	CAR	2x Milly winner may be focal point if DJ Moore isn't healthy enough
Antonio Brown	\$4,900	TB@CAR	TB	His range of outcomes is wider than my daughter's smile this morning when she opened her new iPhone. I'm leaning overweight. He's just so underpriced. Not fading
K.J. Osborn	\$4,800	LAR@MIN	MIN	Thielen return would render him thin
Josh Reynolds	\$4,600	DET@ATL	DET	Injury concerns but has big play ability if healthy and Boyle can throw it somewhere in his vicinity
Rashod Bateman	\$4,500	BAL@CIN	BAL	I'll have some shares since I'll be stacking the shit out of this game
Tim Patrick	\$4,500	DEN@LV	DEN	Price makes him viable this week, particularly in my 3-4 Lock stacks
Marvin Jones Jr.	\$4,400	JAX@NYJ	JAX	I had such high hopes for Marvin but Lawrence just never came along. I blame Urban Meyer cuz that's easy
Darius Slayton	\$4,200	NYG@PHI	NYG	
Breshad Perriman	\$4,200	TB@CAR	TB	Might return just in time. Bucs need him
Courtland Sutton	\$4,200	DEN@LV	DEN	Signed a huge contract only to be mostly ignored in this offense
Emmanuel Sanders	\$4,000	BUF@NE	BUF	May return to bolster Bills group. It's quite possible he's out of gas though
Allen Robinson II	\$4,000	CHI@SEA	CHI	
Tyler Johnson	\$3,900	TB@CAR	TB	Will get yet another opportunity this week but he really hasn't shown us much yet
Kalif Raymond	\$3,900	DET@ATL	DET	
Jalen Guyton	\$3,900	LAC@HOU	LAC	
Sammy Watkins	\$3,900	BAL@CIN	BAL	
Quez Watkins	\$3,800	NYG@PHI	PHI	
Olamide Zaccheaus	\$3,800	DET@ATL	ATL	Could find some soft spots in Lions secondary. He's had a ceiling game this year so...ya know...we've seen it
Devin Duvernay	\$3,700	BAL@CIN	BAL	Special teams Pro Bowl-er has yet to explode as a pass catcher. I might add him into 1-2 game stacks...or not
James Washington	\$3,700	PIT@KC 1:PIT		
DeSean Jackson	\$3,700	DEN@LV	LV	
Scotty Miller	\$3,600	TB@CAR	TB	Brady will likely target him a few times. Not outside the ROO that one of them results in a 40 yard TD, I suppose
Laquon Treadwell	\$3,500	JAX@NYJ	JAX	He's a solid value but upside is dependent on Trevor Lawrence throwing a touchdown pass. Supermodels playing DFS are more common
Braxton Berrios	\$3,500	JAX@NYJ	NYJ	Could be a nice value play if Crowder sits
Dee Eskridge	\$3,500	CHI@SEA	SEA	Would be projecting really well if Russ had connected with him on one of those deep passes last week
Mecole Hardman	\$3,500	PIT@KC 1:KC		He's been terrible but opportunity is king
Zay Jones	\$3,500	DEN@LV	LV	
Tajae Sharpe	\$3,400	DET@ATL	ATL	
Nico Collins	\$3,400	LAC@HOU	HOU	Don't love the idea of him being the go-to guy in an offense yet. I think I actually prefer him if Cooks plays
Freddie Swain	\$3,400	CHI@SEA	SEA	
Keelan Cole Sr.	\$3,300	JAX@NYJ	NYJ	
Joshua Palmer	\$3,300	LAC@HOU	LAC	Value with upside if Guyton sits. He performed well in Keenan Allen's stead recently
Chris Conley	\$3,300	LAC@HOU	HOU	
Damiere Byrd	\$3,300	CHI@SEA	CHI	
Byron Pringle	\$3,300	PIT@KC 1:KC		Has been getting snaps and could be more involved if Kelce misses
Quintez Cephus	\$3,200	DET@ATL	DET	
Bryan Edwards	\$3,200	DEN@LV	LV	
Jalen Reagor	\$3,100	NYG@PHI	PHI	Still not good
Brandon Zylstra	\$3,100	TB@CAR	CAR	
Tavon Austin	\$3,100	JAX@NYJ	JAX	
Marquise Goodwin	\$3,100	CHI@SEA	CHI	Appeared in JM's Bottom-Up Build but is obviously sort of dart-ey
Ray-Ray McCloud III	\$3,100	PIT@KC 1:PIT		I liked him in previous weeks but in hindsight I fucked up and he's bad
Isaiah McKenzie	\$3,000	BUF@NE	BUF	Worth a shot with Bills voluminous pass offense despite poor matchup and expected pace
