

Player	\$	Column4	Column	Notes	Column1
Josh Allen	\$8,000	ATL@BUF	C BUF	DraftKings will make you pay for ceiling. Josh Allen has it. ATL yielding 3rd most FPS to QBs this year	
Patrick Mahomes	\$7,800	KC@CIN	01 KC	Could be fast paced game with a lot of plays. I like the Kelce/Pringle/Boyd angle best for ownership and matchup reasons	
Tom Brady	\$7,600	TB@NYJ	01 TB	Jets defense is a fantasy bonanza. Only obstacle becomes TD variance. Will Rojo get them? Maybe a lot of fields goals? Maybe everyone eats	
Kyler Murray	\$7,300	ARI@DAL	0 ARI	He's looked a bit spooked lately.	
Matthew Stafford	\$7,100	LAR@BAL	C LAR	Can't overthink this one after Burrow roasting of the Ravens last week	
Lamar Jackson	\$7,000	LAR@BAL	C BAL	Doubtful	
Joe Burrow	\$6,900	KC@CIN	01 CIN	Won't be as easy as last week but presence of Mahomes often provides shootout potential.	
Justin Herbert	\$6,800	DEN@LAC	C LAC	Biggest concen is Broncos won't score enough to keep pace. I'll be using a bring-back in most of my stacks just in case they do	
Dak Prescott	\$6,700	ARI@DAL	0 DAL	Exploded last week and now finds himself in uptempo affair that has shootout potential	
Jalen Hurts	\$6,600	PHI@WAS	C PHI	Projects pretty well against this WTF WFT team that rolled over and let Dak be their daddy 6 days ago	
Russell Wilson	\$6,200	DET@SEA	C SEA	This game should be slow and gross. Russ has been bad. Hard to justify more than my standard 1-2 stacks	
Taysom Hill	\$6,000	CAR@NO	0 NO	Ignore the weird taste you have from watching this offense with Ian Book. Taysom is almost always a solid play	
Ryan Tannehill	\$5,900	MIA@TEN	C TEN	Presence of AJ Brown and some rushing ability make for a sneaky ceiling possibility	
Tua Tagovailoa	\$5,800	MIA@TEN	C MIA	Titans will allow sustaned drives. Tua will need to be accurate in red zone and not settle for field goals. I actually love Tua	
Derek Carr	\$5,800	LV@IND	01 LV	That sound you heard is Carr's game logs plummeting to the earth in a fiery ball	
Carson Wentz	\$5,700	LV@IND	01 IND	Keep eye on his availability. Don't hate Wentz/Pittman stack with Renfrow/Moreau coming back	
Tyler Huntley	\$5,600	LAR@BAL	C BAL	Should be his show again. We'll see what Rams staff is able to do with what he put on tape	
Davis Mills	\$5,500	HOU@SF	0 HOU	Pace might be kinda slow but Mills has looked like an NFL QB lately and B. Cooks is a monster.	
Zach Wilson	\$5,400	TB@NYJ	01 NYJ	I don't know. I just...can't	
Mac Jones	\$5,300	JAX@NE	01 NE	Jags 31st DVOA vs pass. Some skinny stacks with H. Henry or K. Bourne are appealing. If JC Jackson misses you can bring back with Marvin Jones	
Matt Ryan	\$5,300	ATL@BUF	C ATL	Tough to draw up a tougher spot. Bills need this game...at home...in weather. Per usual, ownership and "play from behind" scenario merits some consideration	
Drew Lock	\$5,100	DEN@LAC	C DEN	Pinpoint accuracy, quick decision-making and and arsenal of playmaking weapons is the hallmark of a great QB. Drew lock possesses none of these	
Sam Darnold	\$5,000	CAR@NO	0 CAR	Apparently he's the starter this week but Cam might play as well. What a fucking disaster. Just play Saints D	
Trevor Lawrence	\$5,000	JAX@NE	01 JAX	Road matchup vs angry defense isn't exactly whatthe doctor ordered	
Mike Glennon	\$5,000	NYG@CHI	C NYG	I'm not gonna play the Giants tandem lolololol	
Trey Lance	\$4,800	HOU@SF	0 SF	Probably the favorite for cash games. Question becomes how to handle in tournaments. Naked, skinny stacks, bring back with B. Cooks all on table	SF
