

Sonic's PPW - RB

| Player | \$ | Column4 | Colu | Notes |
|-----------------------|---------|-----------|------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Jonathan Taylor | \$9,000 | LV@IND 01 | IND | Huge price yet still projects among top values. Can we fit him in Kupp rosters? I'm likely under but I marked him bold green because he's a stud |
| Austin Ekeler | \$8,200 | DEN@LAC 0 | LAC | Denver stingy vs RBs so ownership will be low. Ceiling game not impossible. I'll be above the field here |
| Alvin Kamara | \$7,900 | CAR@NO 0 | NO | Offense looked awful last week and Panthers tough vs RBs. Will be low-owned |
| Joe Mixon | \$7,500 | KC@CIN 01 | CIN | JM loves him as bring back in KC stacks |
| Ezekiel Elliott | \$7,100 | ARI@DAL 0 | DAL | Could be the guy that scores all the TDs and screws up your Dak exposure |
| Cordarrelle Patterson | \$6,900 | ATL@BUF 0 | ATL | Hot start. Shitty finish. Bad matchup |
| Damien Harris | \$6,600 | JAX@NE 01 | NE | This feels like one of those 40-point NE games where Damien gets one, Rhamondre gets one, Henry gets one, defense gets one etc |
| David Montgomery | \$6,500 | NYG@CHI 0 | CHI | Will be edible chalk this week. Inept Giants offense should lead to good field position and scoring opps |
| Javonte Williams | \$6,400 | DEN@LAC 0 | DEN | Offense with Lock just looks horrible and committees are tough. Might work on FD though |
| Ronald Jones II | \$6,300 | TB@NYJ 01 | TB | I don't love him. I don't think Bucs even love him. But he's most reliable vet on TB12-led team vs Jets |
| Josh Jacobs | \$6,200 | LV@IND 01 | LV | Popped into my head during meditation but I've never liked him and RBs don't let RBs into the end zone much |
| Melvin Gordon III | \$6,200 | DEN@LAC 0 | DEN | LAC is about as run funnel as it gets and Javonte has been dinged. I still can't really see myself clicking Melvin though |
| James Conner | \$6,100 | ARI@DAL 0 | ARI | Hoping he sits to open up Edmonds. Two-headed backfield is borderline playable on 14 game slate |
| Rashaad Penny | \$6,100 | DET@SEA 0 | SEA | Great matchup on run-first team. Will need 100 and a TD to payoff in tourneys...but it's doable |
| Saquon Barkley | \$6,000 | NYG@CHI 0 | NYG | I'm probably a sucker but at 3% ownership I'm feeling like 4x is the play. Don't try this at home |
| Eli Mitchell | \$6,000 | HOU@SF 0 | SF | Would be among most touted RBs of the week if he wasn't questionable and Trey Lance wasn't talk of the town |
| Justin Jackson | \$6,000 | DEN@LAC 0 | LAC | |
| D'Andre Swift | \$6,000 | DET@SEA 0 | DET | A big favorite in The Oracle this week. Coach speak can be dangerous...but so can D'Andre |
| Clyde Edwards-Helaire | \$5,900 | KC@CIN 01 | KC | Q |
| Tony Pollard | \$5,900 | ARI@DAL 0 | DAL | |
| Darrel Williams | \$5,800 | KC@CIN 01 | KC | Hell yes. The job is his. Not afraid to stack him with Mahomes |
| Sony Michel | \$5,800 | LAR@BAL 0 | LAR | TD variance could play in his favor. Nice floor. He could see 25+ touches |
| Chase Edmonds | \$5,700 | ARI@DAL 0 | ARI | IF CONNOR MISSES this will be my favorite play on the slate |
| Jeff Wilson Jr. | \$5,600 | HOU@SF 0 | SF | Onlu if Eli misses |
| Mark Ingram II | \$5,500 | CAR@NO 0 | NO | nah |
| Devin Singletary | \$5,400 | ATL@BUF 0 | BUF | Has emerged as lead back. If you sense a blowout, don't be afraid to stack him with Allen, Millies have been won this way |
| D'Onta Foreman | \$5,300 | MIA@TEN 0 | TEN | meh |
| Rhamondre Stevenson | \$5,300 | JAX@NE 01 | NE | Keep an eye out here just in case we get a surprise Damien Harris (Q) inactive |
| Jordan Howard | \$5,200 | PHI@WAS 0 | PHI | Hoping he sits to open up Boston Scott. I won't be playing anyone if Howard, Scott and Gainwell are all active |
| Ke'Shawn Vaughn | \$5,200 | TB@NYJ 01 | TB | I'm not ignoring him this week. A solid James White-esque day is not outside range of outcomes |
| Nyheim Hines | \$5,200 | LV@IND 01 | IND | |
| Derrick Gore | \$5,100 | KC@CIN 01 | KC | |
| Michael Carter | \$5,100 | TB@NYJ 01 | NYJ | Fine |
| Myles Gaskin | \$5,100 | MIA@TEN 0 | MIA | |
| Dare Ogunbowale | \$5,100 | JAX@NE 01 | JAX | He may be RB by default...on team that may not score |
| Kenneth Gainwell | \$5,000 | PHI@WAS 0 | PHI | |
| Duke Johnson | \$5,000 | MIA@TEN 0 | MIA | |
| Rex Burkhead | \$5,000 | HOU@SF 0 | HOU | |
| Boston Scott | \$4,900 | PHI@WAS 0 | PHI | I'm VERY interested if Jordan Howard doesn't suit up and ruin everything |
| Jaret Patterson | \$4,800 | PHI@WAS 0 | WAS | I'm curious about workload in WFT backfield. JPatt doesn't appear to have impressed coaches from a pass catching/blitz pickup standpoint |
