

Sonic's PPW - TE

Player	\$	Column4	Column	Notes
Mark Andrews	\$7,400	LAR@BAL	BAL	Absolutely scorching right now and Rams better at defending WRs than Tes
Travis Kelce	\$7,300	KC@CIN	KC	He'll be my Chief of choice, especially on FD
George Kittle	\$7,100	HOU@SF	SF	Seems to be the odd man out in this tier...which scares the living shit out of me
Darren Waller	\$6,300	LV@IND	LV	Q - Covid: This dude. What a dissapointing season. What coulda been...
Rob Gronkowski	\$6,200	TB@NYJ	TB	Floor game last week could lead to suppressed ownership. He'll be prominent in my pool
Kyle Pitts	\$5,900	ATL@BUF	ATL	Only ATL player in my pool this week and maybe only as Josh Allen bring-back
Dawson Knox	\$5,500	ATL@BUF	BUF	Price isn't friendly but could be red zone focal point in weather game vs ATL D
Mike Gesicki	\$5,300	MIA@TEN	MIA	Will sprinkle in some Tua stacks. Sub 1% ownership is attractive
Zach Ertz	\$5,200	ARI@DAL	ARI	Kyler looking his way a TON. Hoping TE ownership will be spread out this week and Ertz stays in 10% range
Dallas Goedert	\$5,100	PHI@WAS	PHI	Has been awesome and this matchup is not scary
Dalton Schultz	\$5,000	ARI@DAL	DAL	Game log over last 2 weeks is pure FF porn. As Dak goes, so goes Dalton
Noah Fant	\$4,400	DEN@LAC	DEN	Could see increased targets with some Broncos WRs sidelined
Hunter Henry	\$4,200	JAX@NE	NE	Mac's favorite TD target has won people money this season. In JM's condensed pool
Gerald Everett	\$4,100	DET@SEA	SEA	Good matchup and price is more than fair
Tyler Higbee	\$4,000	LAR@BAL	LAR	A nice low-owned piece in Stafford stacks
Foster Moreau	\$3,800	LV@IND	LV	Great tourney play if he can just make his way into the end zone...ONE TIME!
Evan Engram	\$3,500	NYG@CHI	NYG	
Cole Kmet	\$3,400	NYG@CHI	CHI	Targets and red zone targets have been there. Could be leverage off DMont if TD variance tips this way. I'm on the fence
C.J. Uzomah	\$3,300	KC@CIN	CIN	When the Bengals train is rolling, CJ must be accounted for. Getting high value targets in scoring area
Ricky Seals-Jones	\$3,300	PHI@WAS	WAS	
Jimmy Graham	\$3,100	NYG@CHI	CHI	
Albert Okwuegbunam	\$3,000	DEN@LAC	DEN	
John Bates	\$2,900	PHI@WAS	WAS	
Ryan Griffin	\$2,900	TB@NYJ	NYJ	
Cameron Brate	\$2,900	TB@NYJ	TB	
Mo Alie-Cox	\$2,800	LV@IND	IND	Doyle (Q) will have to miss for Mo to make my pool
Brevin Jordan	\$2,800	HOU@SF	HOU	Davis Mills has been efficient and Jordan has been getting looks. Would prefer he had better snap %
Juwan Johnson	\$2,700	CAR@NO	NO	
Tyler Kroft	\$2,700	TB@NYJ	NYJ	
Geoff Swaim	\$2,700	MIA@TEN	TEN	
Jack Doyle	\$2,700	LV@IND	IND	
Stephen Anderson	\$2,500	DEN@LAC	LAC	Jared Cook absence has upgraded Anderson to the TE punt play du jour. That's french
