

Player	\$	Column4	Column	Notes
Mark Andrews	\$7,500	PIT@BAL 0	BAL	Highly Motivated - capable of dominating TE position
George Kittle	\$6,700	SF@LAR 01	SF	Highly Motivated - capable of dominating TE position
Rob Gronkowski	\$6,300	CAR@TB 0:	TB	Mostly Motivated - risky due to possibility of TB opting to keep TB12 favorite target healthy into playoffs
Kyle Pitts	\$5,700	NO@ATL 0:	ATL	Not sure he'll see many snaps. Pretty risky
Dawson Knox	\$5,400	NYJ@BUF 0:	BUF	Highly Motivated
Zach Ertz	\$5,300	SEA@ARI 0	ARI	Highly Motivated - Will be chalk but I highlight him anyways due to dearth of upside at this position
Mike Gesicki	\$5,100	NE@MIA 0:	MIA	Potential sneaky spot here with Pats losing stud safety Kyle Dugger and defensive signal caller D. Hightower
Pat Freiermuth	\$4,600	PIT@BAL 0:	PIT	Fully Motivated
Tyler Conklin	\$4,200	CHI@MIN 0:	MIN	Stacks only for me
Hunter Henry	\$4,000	NE@MIA 0:	NE	Highly Motivated - Sounds funny to say but he's due for TD regression in a positive way
Tyler Higbee	\$4,000	SF@LAR 01	LAR	Fully Motivated - I like him in stacks for sure. Might allow him to float as well
Gerald Everett	\$3,700	SEA@ARI 0	SEA	Could use him in stacks with Russ/Metcalf or Lockett
Austin Hooper	\$3,600	CIN@CLE 0:	CLE	Not sure about playing time for cagey vet with little to prove
Cole Kmet	\$3,400	CHI@MIN 0:	CHI	Popping as a value this week which means he'll crash and burn at high ownership this week like all TE's do
Evan Engram	\$3,300	WAS@NYG	NYG	whatever
Geoff Swaim	\$3,300	TEN@HOU	TEN	Nice salary relief in game stacks
Hayden Hurst	\$3,200	NO@ATL 0:	ATL	
David Njoku	\$3,200	CIN@CLE 0:	CLE	
Cameron Brate	\$3,100	CAR@TB 0:	TB	
Anthony Firkser	\$3,100	TEN@HOU	TEN	
Mo Alie-Cox	\$3,000	IND@JAX 0:	IND	
John Bates	\$3,000	WAS@NYG	WAS	Master Bates is the only living, breathing TE left. Giants defense is middling/meh vs position. I can imagine clicking a few
Josiah Deguara	\$2,900	GB@DET 0:	GB	
Brevin Jordan	\$2,700	TEN@HOU	HOU	Nice salary saver in a couple of game stacks
Harrison Bryant	\$2,600	CIN@CLE 0:	CLE	Received Majesstik/MJohnson mentions in The Oracle. Currently on a TD streak and Brown likely will play the young play
Luke Farrell	\$2,500	IND@JAX 0:	JAX	Had to look him up once I saw him in JM's grid. What a world
