Davante Adams	\$9,400	GB@DET 0 GB	GB	
Deebo Samuel	\$8,500	SF@LAR 01 SF	SF	Highly Motivated - A glance at wonerhsip sitting at 2% has me salivating
Justin Jefferson	\$8,100	CHI@MIN 0 MIN	MIN	Love JM's point about only playing him with Mooney or Arob. I'll throw Dmont into that mix
Stefon Diggs	\$7,800	NYJ@BUF 0 BUF	BUF	Highly Motivated - Needs 6 catches to hit 100 bonus
Diontae Johnson	\$7,600	PIT@BAL 0 PIT	PIT	Fully Motivated - Coming off Covid list. I need to find out if he was sick cuz that matters
Mike Evans	\$7,100	CAR@TB 01 TB	TB	Mostly Motivated - If he plays entire game he's an awesome play. Not 100% sure how Ariens is gonna play this
A.J. Brown	\$7,000	TEN@HOU TEN	TEN	Fully Motivated - High ceiling player. Do not fade. 15% ish ownership is fine
DK Metcalf	\$6,900	SEA@ARI 0 SEA	SEA	One of those dudes. Don't fade
Amon-Ra St. Brown	\$6,800	GB@DET 0 DET	DET	Can fade a guy who's getting targeted like this. He's a rookie so leaving him out there for experience makes sense
Tyler Lockett	\$6,400	SEA@ARI 0 SEA	SEA	One of those dudes. Don't fade
Jaylen Waddle	\$6,300	NE@MIA 0 MIA	MIA	Matchup is better than a glance might indicate. Has milestones within reach and Tua is obsessed with him
Brandin Cooks	\$6,300	TEN@HOU HOU	HOU	Oh yeah. Having a great year and this matchup is juicy fun
Terry McLaurin	\$6,200	WAS@NYG WAS	WAS	Such a shitty game environment and Adoree Jackson will be playing with pride
Christian Kirk	\$6,000	SEA@ARI 0 ARI	ARI	Highly Motivated - Will come with ownership but has real upside
Michael Pittman Jr.	\$5,900	IND@JAX 0 IND	IND	Fully Motivated - Might not need him but if Jags fight back, he'll get some aggressive looks
Darnell Mooney	\$5,900	CHI@MIN 0 CHI	CHI	Like him a bunch in correlations with Vikings
Marquise Brown	\$5,900	PIT@BAL 0 BAL	BAL	Highly Motivated - No injury designation and always can get past secondary and into the barn. Low ownership!
DJ Moore	\$5,800	CAR@TB 01 CAR	CAR	Solid bring back in Brady stacks. I'm happy floating him, too
Odell Beckham Jr.	\$5,800	SF@LAR 01 LAR	LAR	Fully Motivated - TD threat at any time. 100 yards not impossible
Russell Gage	\$5,600	NO@ATL 0 ATL	ATL	Probably the only guy who doesn't have a shitty matchup against Saints
Brandon Aiyuk	\$5,600	SF@LAR 01 SF	SF	Highly Motivated - Don't love this price. I'll have him in a Jimmy G stack or 2
K.J. Osborn	\$5,500	CHI@MIN 0 MIN	MIN	Not being touted all that much but I think this is a nice spot
Jarvis Landry	\$5,400	CIN@CLE 0 CLE	CLE	No idea
A.J. Green	\$5,400	SEA@ARI 0 ARI	ARI	Highly Motivated - Has some incentives but AZ will be focused on winning first
Jakobi Meyers	\$5,200	NE@MIA 0 NE	NE	Highly Motivated - Always projects well yet I never feel like a "gpp bro" when I click him. Add ceiling guys in his lineups
Kenny Golladay	\$5,100	WAS@NYG NYG	NYG	lol
Chase Claypool	\$5,100	PIT@BAL 0 PIT	PIT	Fully Motivated - Was smash until Dionte came off Covid. Will he go underowned now?
Van Jefferson	\$5,100	SF@LAR 01 LAR	LAR	Fully Motivated - Hasn't been hot but he'll be on the field and SF secondary isn't daunting
Breshad Perriman	\$5,000	CAR@TB 01 TB	TB	Maybe he performed well in practice this week and earned some additional trust from Tommy
Kendrick Bourne	\$5,000	NE@MIA 0 NE	NE	Highly Motivated - Has made big plays this year. Matchup is meh
Marquez Callaway	\$5,000	NO@ATL 0 NO	ATL	Fully Motivated - I like him in Taysom skinnies and may allow him to float as well
Julio Jones	\$5,000	TEN@HOU TEN	TEN	Fully Motivated - I'm likely waiting for playoff slate to click Julio
DeVante Parker	\$4,900	NE@MIA 0 MIA	MIA	Popping as a value this week and Pats D tends to struggle in December warm weather contests
Rashod Bateman	\$4,900	PIT@BAL 0 BAL	BAL	Highly Motivated - Matchup isn't awesome but has big play ability and Ravens will need those
Gabriel Davis	\$4,900	NYJ@BUF 0 BUF	BUF	Highly Motivated - Big play upside at reasonable price. Matchup is good. I'll ignore ownership and play as much as I need
Cole Beasley	\$4,800	NYJ@BUF 0 BUF	BUF	Highly Motivated - fine. Can always rack up PPR points and then a TD gets him in 4x territory

Allen Lazard	\$4,600	GB@DET 0 GB	GB	
Jamison Crowder	\$4,600	NYJ@BUF 0 NYJ	NYJ	I like the player but this matchup is less than idea coming off injury. I'll run him back in 1 or 2 Allen stacks
Marquez Valdes-Scantling	\$4,500	GB@DET 0 GB	GB	Dunno
Robby Anderson	\$4,500	CAR@TB 01 CAR	CAR	I actually dig him if we get good medical reports
Laqun Treadwell	\$4,400	IND@JAX 0 JAX	JAX	Matchup isn't great but could serve as a bring-back in J. Taylor lineups

Tre'Quan Smith	\$4,400	NO@ATL 0 NO	ATL	Fully Motivated

Marvin Jones Jr.	\$4,300	IND@JAX 0 JAX	JAX	I'm biased because I like this player and he seems to be overthrown for potential TDs everytime I flip to their games
Donovan Peoples-Jones	\$4,300	CIN@CLE 0 CLE	CLE	Risky for many reasons including QB Play, Oline play and weather. Has big play upside though
Tyler Johnson	\$4,200	CAR@TB 01 TB	TB	Should see plenty of snaps. Maybe he'll get better at football soon

Keelan Cole Sr.	\$3,400	NYJ@BUF 0 NYJ	NYJ	
Zach Pascal	\$3,300	IND@JAX 0 IND	IND	Fully Motivated - one of his patented "2 TDs out of nowhere" games would land him in optimal

Equanimeous St. Brown	\$3,000	GB@DET 0 GB	GB	Many assume he'll get snaps...and passes...from Jordan Love. We'll see
